Australian Federal Government legislation requires providers of courses to international students to register their institution and the courses they offer. This register is called the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). The Tertiary Education Quality Standards Agency (TEQSA) approves registration before a code is allocated and the details recorded on the CRICOS register. Providers and their agents must not promote a course to overseas students unless it is registered on CRICOS.
Pursue excellence at a world top 100 university

A postgraduate degree from The University of Western Australia will position you for career success. Postgraduate qualifications are fast becoming an expectation in many sectors, particularly for management and leadership positions and for anyone aiming for an international career.

Now is the time to consider your next step towards realising your career aspirations.

UWA is ranked 88th in the world according to the internationally respected Academic Ranking of World Universities and 89th in the world according to the highly regarded QS World University Rankings 2014/15.

We earned these endorsements for our internationalism, research, innovation, employability, teaching, facilities and access. We are recognised globally as a university that produces outstanding results – including a Nobel Prize. Included in our alumni are an Australian Prime Minister, an Indonesian Vice-President, ambassadors, CEOs, and inventors of breakthrough technologies.

UWA is a member of the Group of Eight research-intensive Australian universities and belongs to prestigious international groups: the Worldwide Universities Network and the Matariki Network. These links benefit you because they provide you with exciting opportunities for research and exchange.

By choosing UWA for your postgraduate studies, you are choosing an outward-looking university with strong research links to the world’s best universities.

UWA is also a university which collaborates with some of the world’s biggest companies, enabling postgraduates to be work-ready and confident in a global economy.

At UWA you will be supported as you investigate your specific subject. Meanwhile, you will gain generic personal and cross-cultural competency which will enable you to better meet the needs of your future employers and the changing and uncertain demands of future workplaces.

As a UWA postgraduate student, you will join others from more than 109 countries. You will become part of an engaging national and global network of students, graduates, friends and industry partners. These interactions will stay with you beyond your studies and will enrich you for life.

Alongside the benefits of a UWA course is the exceptional university experience you will enjoy on our riverside campus which is close to the Perth Central Business District (CBD). There are beautiful grounds to explore and an exciting social, cultural and sporting life to enjoy, plus opportunities for student exchange, volunteering, societies, clubs and much more.

At UWA we aspire to be recognised as one of the world’s top 50 universities. If you too are determined to pursue what might seem impossible, join us at The University of Western Australia.
The University of Western Australia | INTERNATIONAL POSTGRADUATE PROSPECTUS 2016–2017 | 03

The average starting salaries for new domestic graduates aged under 25 and in their first full-time job are high enough to place UWA in the top 20% of Australian institutions (Good Universities Guide, 2016)

UWA is amongst the top 20% of Australian research institutions for “Research Intensivity” (Good Universities Guide, 2015)

UWA is amongst the top 20% of Australian universities enrolling students with high entrance scores (Good Universities Guide, 2015)
When you study a postgraduate degree at UWA, you will be educated by world-renowned academics, study with like-minded peers and create professional connections worldwide.

The University has formal agreements with many institutions around the world including Zhejiang University in China, Anna University in India, the National University of Singapore (NUS), the University of California in the United States of America, McGill and Queen’s University in Canada, University College London and Uppsala University in Sweden.

Along with key institutional partnerships, the University also maintains strong strategic partnerships with industry, the professions and government. This ensures the University is responsive to industry and society needs, continually developing new graduate courses to meet the demands of a rapidly changing world.

Study at a world top 100 university

- Ranked 88th in the world according to The Shanghai Jiao Tong University’s internationally recognised Academic Ranking of World Universities (ARWU).
- Ranked first in Australia and 24th in the world for Life and Agricultural Sciences (ARWU).

Leading the way in research

- UWA is a research-intensive University and the only West Australian member of the internationally recognised Australian Group of Eight, a coalition of the nation’s top research universities.
- UWA is one of 19 international research-led universities that are members of the Worldwide University Network (WUN).
- UWA attracts the highest level of research income of any Western Australian university.
- UWA has over 130 research and training centres with links to industry and government, both locally and nationally. The acknowledged strength of UWA’s research output makes the University appealing to researchers of international standing, many of whom head major research centres that have global links.
- Together, the University’s high calibre researchers and graduate students are solving some of the world’s most critical and challenging problems, from spinal cord injury repair to ensuring the stability of large offshore oil and gas platforms.
- UWA has determined a number of strategic research areas in consultation with key stakeholders:
  - Plant sciences and sustainable food production;
  - Ecology, evolution and the environment;
  - Energy and minerals;
  - Indigenous knowledge;
  - Medicine and health; and
  - Mind and the nervous system.

For further information visit research.uwa.edu.au
If you plan to take the lead in your career and stand out, a postgraduate qualification from a university in the top 100 will set you apart.

The benefits of studying a UWA postgraduate course include:
- greater career opportunities within a global workplace;
- learn from leaders in their field;
- improved links with industry and professional practice;
- an advanced learning environment at postgraduate level; and
- develop your future professional networks as you engage with high achieving peers.

Prominent UWA graduates

- **THE HONOURABLE ROBERT HAWKE**
  Former Prime Minister of Australia 1983–1991
- **PROFESSOR BARRY MARSHALL**
  Nobel Prize Laureate
- **PROFESSOR DR BOEDIONO**
  Former Vice President of Indonesia
- **JUSTICE JAMES EDELMAN**
  The youngest judge appointed to the WA Supreme Court
- **JUSTIN EVESON**
  Four-time paralympian and gold medallist, Beijing Paralympic Games
- **KERRY HILL**
  Internationally acclaimed and award-winning architect
- **JO HORGAN**
  CEO and founder of Mecca Cosmetica
- **LEE HUNTER**
  YouTube—Head of Consumer and Partner Marketing, Europe, Middle East and Africa
- **SARA MACLIVER**
  Internationally renowned soprano
- **PIETER PANG**
  President of Bosch China
- **ELIZABETH SHAW**
  Australian representative to the United Nations
- **SHAUN TAN**
  Best Animated Short Film Oscar winner, 83rd Academy Awards

Postgraduate qualifications can lead to:
- **Enhanced career success and earning:** Graduates with postgraduate qualifications are more likely to get promoted into higher paid positions.
- **Development of transferable skills:** You will further develop analytical, problem-solving and critical thinking skills that are highly valued by employers.
- **A new career direction:** If you already have a degree but are yearning for a change of direction, further study can lead to a new career.
- **Intellectual reward:** Postgraduate study is intellectually stimulating, personally rewarding and offers you the chance to pursue a specialised area of interest.

Postgraduate qualifications can lead to:
- Advanced career prospects: According to the Postgraduate Destinations 2012 survey, completed by Graduate Careers Australia, graduates with postgraduate qualifications enter full-time positions faster than graduates with bachelors’ degrees.
A LEADING RESEARCH INSTITUTION

As one of Australia’s Group of Eight research-intensive universities, The University of Western Australia has an exceptionally strong research culture and is committed to the idea that intellectual capital is the global economy’s most dynamic commodity.

The University has a strong commitment to excellence that underpins all of its activities.

UWA’s breadth of research spans 130 research and training centres with strong links into industry and government, locally, nationally and internationally. The strength of UWA’s research output makes the University appealing to researchers of international standing, many of whom head major research centres with global links.

UWA’s research excellence has always been reinforced by significant external investment. Annually the University receives over AUD $214 million of external research income, which represents the majority of university-based research and development investment in Western Australia.

UWA’s student research cohort benefit from the knowledge and experience of its research and teaching staff. Academic leaders pass on their expert knowledge and enthuse their students, who then graduate with a respected qualification and the skills sought by employers in today’s challenging global job market.

UWA student researchers learn how to develop amazing innovations and discoveries – such as young astronomer Damien Macpherson, who is still working on his PhD but already his research into Gamma-ray bursts is being considered by NASA. Damien is supervised by Professor David Coward, a Future Fellow in the School of Physics at the International Centre for Radio Astronomy Research (ICRAR).

Work with UWA’s world-class researchers

PROFESSOR CARLOS DUARTE

A leading world marine research body awarded its highest honour to Professor Carlos M. Duarte, Director of the UWA Oceans Institute. The Oceans Institute awarded Professor Duarte with its Prix d’Excellence, for his many contributions to marine science and oceanography.

PROFESSOR RYAN LISTER

Professor Ryan Lister generated the first comprehensive maps of the human epigenome, which were rated by TIME magazine as the second most important scientific discovery of 2009. His exceptional contributions to epigenome research have been recognised with numerous awards, which include: the Metcalf Prize for Stem Cell Research (National Stem Cell Foundation of Australia, 2015); the Frank Fenner Prize for Life Scientist of the Year (Prime Minister’s Prizes for Science, 2014); and the Ruth Stephens Gani Medal for distinguished research in human genetics (Australian Academy of Science, 2014).

PROFESSOR CHERYL PRAEGER

Professor Cheryl Praeger is in the top one per cent of highly cited mathematicians in the world and is best known for her works in group theory, algebraic graph theory and combinatorial designs. Professor Cheryl Praeger was elected Foreign Secretary of the Australian Academy of Science and elected as Honorary Member of the London Mathematical Society.
PROFESSOR KADAMBOT Siddique AM FTSE
Professor Kadambot Siddique is an outstanding agricultural scientist and academic whose mission is to feed the world through improved yields and crop management. Director of the Institute of Agriculture at the University of Western Australia (UWA), he is regarded worldwide as a leader in crop science and agriculture.

PROFESSOR DONGKE ZHANG
Professor Dongke Zhang (pictured), Foundation Professor of UWA Chemical Engineering and Director of the Centre for Energy, was named in the 2011 Top 100 Australia’s Most Influential Engineers. The list is put together by Engineers Australia to recognise senior engineers from all areas who have made the most significant contributions to Australia.

Research at UWA – Fast Facts

According to Thompson-Reuters ISI Web of Knowledge, UWA has more highly cited scholars than most other Australian universities. Highly cited scholars are considered to be within the top 200 academics worldwide in their field – UWA has 11. The Times Higher Education ranked UWA 25th in its list of the most international universities in the world.

Ranked 1st in Australia and 24th in the world for Life and Agricultural Sciences, the highest ranking in Australia according to the Academic Ranking of World Universities.

Ranked 88th in the Academic Ranking of World Universities, 2014.

Member of the Group of Eight – a coalition of leading research intensive Australian universities.

Worldwide research collaborations including the Worldwide Universities Network and the Matariki Network of Universities.

UWA has identified six strategic research areas: Plant Sciences and Sustainable Food Production; Ecology Evolution and the Environment; Energy and Minerals; Indigenous Knowledge; Medicine and Health; and Mind and the Nervous System.

UWA has 130 research and training centres and 3 major research institutes. Its major research institutes include the Energy and Minerals Institute, Institute of Agriculture, the Oceans Institute and 6 diverse affiliate institutes.

11 Australian Research Council Centres of Excellence spanning across sciences, arts, medicine and engineering.

5 National Health and Medical Research Council Centres of Research Excellence.

45 UWA Research Centres – clusters of academics who share specialised expertise.

8 Medical Research Centres as part of the Harry Perkins Institute of Medical Research.

UWA performs above the world average across 38 diverse and complex research disciplines.

23% of UWA students are studying a postgraduate degree, 7.3% of whom are completing a Higher Degree by Research.

Researchers

The University of Western Australia is home to 15 highly cited researchers — the 250 academics in the world whose studies are most cited in other research articles over a 20-year rolling period.

Professor Hans Lambers
Professor Rana Munns
Professor Andre Lauchli
Adjunct Professor Patrick Holt
Professor Richard Hobbs
Professor Cheryl Praeger
Professor John Pate
Research Professor Stephen Powles
Professor Peter Quinn
Dr Brian Skelton
Professor Allan White
Professor Malcolm McCulloch
Professor Sir David Read
Professor Carlos Duarte
Professor John Weins
POSTGRADUATE STUDY BY COURSEWORK OR RESEARCH

With knowledge as the universal currency that underpins the performance and success of individuals, organisations and nations, postgraduate qualifications are rapidly becoming an expectation in an internationally mobile workforce.

UWA graduates are renowned for their initiative, critical thinking and skill levels, making them highly employable in a competitive global economy.

Postgraduate study is generally undertaken upon completion of an undergraduate bachelor degree. At UWA, we offer the following types of postgraduate courses:

Professional postgraduate degrees

At UWA, professional qualifications are offered at postgraduate level in line with international best practice.

A professional postgraduate degree is a master’s or doctorate level course, taken upon completion of a bachelor degree (or equivalent) that, upon successful completion, qualifies the student to enter a profession. UWA’s professional postgraduate coursework degrees have replaced degrees that were previously offered at an undergraduate level.

Coursework degrees

UWA offers a range of postgraduate coursework degrees designed to help you develop a thorough understanding of an area of study, diversify your educational background or obtain specific vocational training.

Coursework degrees include:

- Graduate Certificates
- Graduate Diplomas
- Masters by coursework
- Masters by coursework and dissertation
- Higher Degree by Research Preliminary courses
- Clinical Doctorates
- Professional Doctorates

Research degrees

Students keen to contribute knowledge and develop important skills or explore an area of personal interest, may consider a research degree. For further information, see page 10 and 11. Research degrees involve a project of supervised but independent enquiry at an advanced level, resulting in the submission of a research thesis (or equivalent) which is examined by experts in the field.

Research degrees include:

- Masters by thesis and coursework
- Masters by research
- Professional Doctorates, including Doctor of Philosophy (PhD)
Articulation/Articulated course
Articulation may be available within certain sets of courses. Articulation is a sequence of related postgraduate courses in a specific discipline area, offering progression from one course level to another with credit granted for all units passed to the appropriate standard in the previous level. Graduate certificates, graduate diplomas and/or masters degrees may form part of this sequence. See table below for more information.

LEADING THE WAY
In response to industry and society needs, UWA is continually developing new and innovative courses. To view our full list of postgraduate courses, visit www.studyat.uwa.edu.au

TERMINOLOGY

GRADUATE CERTIFICATE
Typically follows a bachelor degree and is equivalent to one semester of full time study.

GRADUATE DIPLOMA
Regarded as a higher qualification and offering greater depth than a graduate certificate and are generally equivalent to two semesters (or one year) of full-time study.

MASTERS DEGREE (COURSEWORK)
A masters degree by coursework is comprised of 100% coursework. It is normally the equivalent of two years of full-time study after a bachelor degree (or equivalent).

MASTERS DEGREE (COURSEWORK AND DISSERTATION)
These courses involve both coursework and research, where the research component (dissertation) comprises less than 66.6% of the course requirements. Typically requires two years of full-time study (or equivalent) after a bachelor degree.

PROFESSIONAL POSTGRADUATE DEGREE
A masters or doctorate level course, taken upon completion of a bachelor degree (or equivalent) that, upon successful completion, qualifies the student to enter a profession.

MASTERS DEGREE (THESIS AND COURSEWORK)
A mixed mode research degree with a research component that is equal to or greater than 66.6%, but less than 100%, of the total course. Typically requires two years of full-time study (or equivalent) after a bachelor degree.

MASTERS DEGREE (RESEARCH)
A course normally requiring the equivalent of two years of full-time study and including a supervised research component that represents 100% of the course requirements.

PROFESSIONAL DOCTORATES AND PHD (DOCTOR OF PHILOSOPHY)
A doctoral degree, normally undertaken over a period of four years of full-time studies, consists of supervised research resulting in the preparation of a thesis that makes a substantial and original contribution to knowledge.
ACHIEVE RESEARCH SUCCESS AT UWA

Research is an exciting journey of discovery, where you will be working at the ever-shifting boundary between the known and the unknown. Like any pioneering work, research is a quest to unravel the answers to the challenges facing the world today. The University of Western Australia offers an outstanding, international research culture across all disciplines.

Graduate Research School (GRS)
The Graduate Research School coordinates most of the graduate research training activities at UWA to ensure research training is of the highest quality, through well-designed and well-presented courses, appropriate induction programs, excellent research supervision and special services for international students.

The pursuit of knowledge through graduate research programs leads to a well-educated society and a highly trained professional workforce. Research degrees offer the exciting opportunity to explore an area of interest, contribute to knowledge and develop important transferable skills. High-achieving students elect to undertake a research degree because they have the drive to excel in their chosen fields. By completing a research degree you will demonstrate to a prospective employer excellent project management skills and the ability to think independently and critically, solve problems and communicate effectively.

Research leaders
Many of UWA’s researchers are international leaders in their fields. Learn more about our ARC Laureate and Federation Fellows, Premier’s Fellows, ARC/NHMRC Professional Fellows, highly cited researchers and other research leaders at research.uwa.edu.au/fellows

For particular information about UWA’s research courses, please refer to the faculty pages within this publication. For more information about UWA’s research profile, and to search for areas of research interest and expertise visit research.uwa.edu.au

Where to start
Identify your ideal supervisor
Before you start your application for a research degree, think of a research topic, then identify and contact possible UWA supervisors who could oversee and guide your research during your studies.

Discuss supervision, eligibility, resources and a research proposal.

For assistance in identifying a possible supervisor, and resources available in a school, you can contact a relevant Graduate Research Coordinator. For a list of Graduate Research Coordinators, visit postgraduate.uwa.edu.au/contact coordinators

Prepare a research proposal
You are required to prepare a brief outline (maximum 250 words) of your proposed area of study to discuss with a prospective supervisor, and submit within your application.

Discuss the resources available
Find out what resources are available to you as a postgraduate research student, such as access to an office, computer, phone, email, printing and stationery, as these vary depending on the school. It is very important that you discuss this during the application phase, so you can begin your studies with a realistic expectation of the facilities and resources available.

Be informed
Spend some time looking through the University’s research website. There is a lot of useful information for prospective research students, visit postgraduate.uwa.edu.au/students/journey

PhD admission requirements
To be admitted, you must demonstrate that you have sufficient research preparation to successfully complete a PhD and Masters by research. You must demonstrate that you have undertaken supervised individual research in which you have designed and conducted a scholarly investigation in the context of an existing body of knowledge, critically analysed and evaluated the outcome in that context, and communicated the process effectively in writing.

You will be able to provide evidence of scholarly work in at least one of the following forms:

- a supervised research dissertation project completed as a program undertaken after a three year, or during a four year, Bachelors degree, carrying the equivalent credit of at least 25%
Doctor of Philosophy and Master of Philosophy

Doctor of Philosophy (PhD)

- **UWA COURSE CODE**: 00810
- **DURATION**: 4 years
- **INTAKE PERIOD**: Any time during the academic year
- **MODE OF STUDY**: Research
- **2016 TUITION FEE**: Between AUD $31,000 – AUD $46,500 per year depending on your chosen discipline.
- **APPLY**: Online at studyat.uwa.edu.au/phd
- **MORE INFORMATION**: studyat.uwa.edu.au/phd

**ADMISSION REQUIREMENTS**

An applicant must demonstrate that they have fulfilled the requirements of the Policy on Adequate Research Preparation and any other requirements for admission of the University. See postgraduate.uwa.edu.au/schools/research-preparation

To be accepted an applicant must demonstrate that they have sufficient background and experience in independent supervised research to successfully complete a PhD. The normal requirement is for a bachelor's degree with at least upper second class honours in an appropriate discipline.

However, applications are also considered from:

1. graduates of this University (or equivalent) who can demonstrate to the University that they have had adequate research preparation since graduation;
2. applicants who have previously undertaken work, which is of a sufficiently high standard, towards a research higher degree in this or another approved institution and have not submitted it for any degree and have had their research proposals approved; or
3. applicants who have satisfactorily completed an acceptable preliminary program at this University or an approved institution and have had a research proposal approved by the University.

Minimum English language competence – see page 74 for more information.

**Course description**: The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Master of Philosophy (MPhil)

- **UWA COURSE CODE**: 00710
- **DURATION**: 2 years
- **INTAKE PERIOD**: Any time during the academic year
- **MODE OF STUDY**: Research
- **2016 TUITION FEE**: Between AUD $31,000 – $AUD 46,500 per year depending on your chosen discipline.
- **APPLY**: Online at studyat.uwa.edu.au/mphil
- **MORE INFORMATION**: studyat.uwa.edu.au/mphil

**ADMISSION REQUIREMENTS**

An applicant must have demonstrated that they have fulfilled the requirements of the Policy on Adequate Research Preparation and any other requirements for admission of the University. See postgraduate.uwa.edu.au/schools/research-preparation

To be considered for admission to this course an applicant must—

(a) have a bachelor's degree with at least upper second class honours in an appropriate subject area, or have been granted equivalent status; or
(b) be a graduate of this University or been admitted to equivalent status and can satisfy the Board that they have had adequate research preparation since graduation
or
(c) be a recipient of a University scholarship for master's degree by research (by thesis) study awarded by the Scholarships Committee of the Board of the Graduate Research School;

To have a bachelor's degree of this University, or a qualification recognised by the Board as equivalent, and have since graduation passed a preliminary examination in terms of the University Policy on the Higher Degree by Research Preliminary Course in the subject area in which research is to be undertaken; and

(i) have completed and had approved by the Board, on the recommendation of the supervisor and the head of school, a master's research proposal;
or
(e) have previously undertaken work at a high enough standard towards a higher degree by research in this or another approved institution but has not submitted it for any degree.

Minimum English language competence – see page 74 for more information.

**Course description**: This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.
THE CITY OF PERTH

Perth offers an ideal study environment of sunny weather and beautiful natural scenery, and has been recognised as one of the top ten most liveable cities in the world according to the Economist Intelligence Unit’s Global Liveability Survey.

Perth is a popular study destination for international students because of its beautiful, safe environment that is also conveniently located within the same time zone as 60 per cent of the world’s population.

People from all over the world are drawn to the relaxed lifestyle and diverse work opportunities of Perth City and as a result, our state has since become the most culturally diverse in Australia, with around 30 per cent of the population born elsewhere and over 170 nationalities represented across the community.

Why study in Perth?
- Perth’s position on the banks of the beautiful Swan River and nearby hectares of natural bushland in Kings Park make for a city centred on the great outdoors.
- The mediterranean climate of mild winters and warm summers are perfect for an active outdoor lifestyle.
- Perth has some of the best beaches in Australia where you’ll enjoy crystal clear waters and experience ideal surf spots.
- The lifestyle is relaxed, and the people are friendly.
- Perth has a relatively low crime rate compared to other major cities, providing a peaceful experience on campus, public transport and city streets.
- The city population is smaller compared to other major cities in Australia, which means less pollution and traffic.
- Perth hosts a range of exciting international events such as the Perth International Arts Festival, Perth International Jazz Festival, Perth Comedy Festival, leading international music artists and much more!
- Enjoy your holiday breaks in Asia, as Perth is just a few hours flight time to the major Asian cities.

WEATHER
Western Australia has a warm climate, with temperatures climbing above 30 degrees Celsius for much of the summer and rarely going below 15 degrees Celsius during the day in winter.

SEASONS
- Summer: December – February
- Autumn: March – May
- Winter: June – August
- Spring: September – November

STUNNING SCENERY AND AN OUTDOOR LIFESTYLE
Perth is Australia’s sunniest capital city and the mediterranean climate of warm dry summers is ideal for sports and outdoor activities such as golf, tennis, sailing, cycling, swimming and windsurfing, or you can experience nature at Kings Park, 400 hectares of natural bushland and botanical gardens right in the middle of Perth and just up the road from UWA.
GETTING AROUND

Perth's public transport system makes it easy to get around the city and to the main UWA campus. International students receive a West Australian Government-sponsored 40 percent discount on all public transport. Perth also has free buses called CATs that operate around the central business district.

CONVENIENT FACILITIES

Perth City Library provides community access to computers, wireless internet, thousands of publications and e-resources and is undergoing renovations to include a new exhibition space, AV/multifunction rooms and digital resources across seven levels spanning 3,500 square metres. Perth is the first and only city in Australia to offer free public WiFi in the CBD – a great way to stay in contact with family and friends whilst out and about.

SAFE AND FRIENDLY

Perth offers a high standard of living and has achieved positive rankings in the Best Student Cities Rankings published by QS Top Universities. Perth also offers a safe and friendly study environment with a diverse student population; according to Australia Education International, Perth has the best international student diversity in Australia.

Where is UWA?

Located minutes from Perth city, UWA has a picturesque riverside campus in the suburb of Crawley, that is easily accessible via frequent public transport with discounted fares for international students.

WESTERN AUSTRALIA

THE PINNACLES

AUSTRALIAN OUTBACK
Visit www.westernaustralia.com for more information on things to see and do in Perth and Western Australia.

Perth City is located within the state of Western Australia, which covers one-third of the Australian continent. Spanning over 2.5 million square kilometres (1 million square miles), Western Australia extends into two different climatic zones. When it is warm and dry in the north of the State, it is cool and wet in the south. Bordered largely by desert to the east, Western Australia has 12,500 kilometres (7,813 miles) of the world’s most pristine coastline to the west.

Western Australia is a land blessed with some of the world’s most precious natural phenomena including the dolphins of Monkey Mia, the 350-million-year-old Bungle Bungle range and the towering karri forests of the South West.

Venture beyond Perth to see a vast country of big experiences. Be in awe of landscapes carved by nature over millions of years. Immerse yourself in Aboriginal culture. Get up close and personal with the unique flora and fauna of Australia.

Situated in the far north is the Kimberley region, an ancient landform of rugged ranges with deep, spectacular gorges and pristine sandy beaches. The Pilbara region is the heartland of Western Australia and offers thrilling adventure and ecotourism opportunities. The north is contrasted by the natural forests and vineyards of the South West. Wherever you go, the memories will last forever.
SHARE THE UWA EXPERIENCE

Attending an international university is more than just study. It is about discovering a new culture, meeting people from all over the world, and discovering a little more about yourself.

As a UWA student you can expect to be stretched intellectually as you interact with some of the country’s leading researchers and teachers, at the same time making friends with other students from across Australia and around the world.

UWA Student Guild
The UWA Student Guild is the heart-beat of campus life and is the centre of activity for clubs, societies, entertainment and a wide range of services such as catering, sporting facilities and a second-hand bookshop. The Guild organises annual activities for students such as Orientation Week, the Guild Ball (formal dance) and the National Campus Band competition. As a UWA student you will have dozens of affiliated student clubs and societies to choose from. These clubs are as diverse as the UWA Film Society, the UWAnime Japanese Animation Club, and the UWA Jazz Club. There are also several clubs dedicated to particular disciplines such as the Engineers Club, the Politics Club, the Chinese Society and Blackstone (the UWA Law Society).

The Guild represents students’ interests at all levels of university life, advocating on behalf of students since 1913. The staff and student representatives of the Guild can help you make the most of your time at UWA.
www.guild.uwa.edu.au

The International Students’ Service (ISS) is part of the Student Guild and looks after the welfare of international students studying at the University. The ISS organises the annual Multicultural Week event and is affiliated with many of the international clubs on campus.
www.uwastudentguild.com/about/departments/iss/

The Postgraduate Students’ Association (PSA) represents postgraduate students on campus as well as holding a number of events throughout the year including Research Week, Careers Week, sundowners, cocktail parties, afternoon teas, a quiz night and a sports day. The PSA also runs a grants scheme for postgraduate small group activities. All postgraduate students automatically become members upon enrolment.
www.psa.guild.uwa.edu.au
UWA plays a prominent role in the cultural life of the city as the founder of the Perth International Arts Festival, Australia’s oldest performing arts festival. Held over the summer months, the Festival offers some of the best international and contemporary drama, theatre, music, film, art, literature and comedy entertainment in Australia.

The University plays host to a number of events including the Perth Writer’s Festival, held annually on the UWA Crawley campus.

Encouraging young sportspeople is a focus for the University. The University has a proud tradition of graduating students who excel in sports as well as in their studies. Many students have gone on to compete internationally in their chosen sport and some have competed at the Olympics. UWA Sports is a hub of extracurricular activity through the Recreate® programs. These courses include over 40 different active fitness, sport, dance, outdoor, lifestyle and aquatic programs. Each year, students are also encouraged to participate in the annual Australian University Games, which is an opportunity to play sport against other universities from around Australia.

The University has many essential facilities on its Crawley campus and consistently rates highly in student feedback surveys as offering an exciting, vibrant atmosphere.

Services and facilities include:
- Banking
- Child care
- Cafés
- Computer shop
- Guild shop and newsagency
- Travel agency
- Market days
- Art gallery, museums, performance theatres and outdoor cinema
- Recreation centre, swimming pools, tennis and squash courts and a health and fitness centre
- Optometrist, medical centre, pharmacy, dentist and physiotherapist
UWA’s distinctive mix of heritage architecture and contemporary buildings contain state-of-the-art teaching and research facilities, lecture and performance theatres, tutorial spaces, studios and laboratories create the perfect learning environment.

Located beside a river-bend in Crawley just minutes from the city of Perth, UWA is often described as one of Australia’s most picturesque campuses.

Our extensive art collection, museums, music and theatre venues coupled with our sporting, cultural and social groups will ensure that you are not only learning in a stimulating environment, but also that your cultural and social needs are being met.

With more than 24,000 students and 3,500 staff, as well as cafés, libraries, sporting facilities, galleries and shops, the Crawley campus is like a small town.

UWA’s close proximity to the city and prime location on well-serviced public transportation routes means you are conveniently located close to the city and other amenities, with easy access to and from the campus.

Adjoining UWA’s Crawley campus is Kings Park and Matilda Bay. You can conveniently visit the park, cycle around the river, enjoy a coffee or meal at one of the many local cafés.

**Excellent facilities**

At the heart of the campus is the Reid Library, Western Australia’s largest academic library. The Reid Library is complemented by several subject specific libraries around the campus.

The University has excellent computer facilities throughout the campus, equipped with the latest general and subject-specific software. Through remote access, students can access lecture material, course readings and lecture notes online. All classrooms are fully equipped with sophisticated teaching equipment.

The purpose-built AUD$30 million Science Library draws together the University’s library resources across all science disciplines and provides a variety of individual and group learning spaces for students.

The University houses the cutting-edge AUD$73 million Bayliss Building, the most advanced biomolecular sciences facility in WA.

The University’s Clinical Training and Education Centre (CTEC), Australia’s premier medical and surgical skills training centre, is one of the most advanced medical technology complexes in the world.

In partnership with the Western Australian Government, UWA has a state-of-the-art oral health centre, offering modern teaching and clinical services.
Support every step of the way
UWA offers a wide range of services that complement the university experience and contribute directly to the welfare and wellbeing of students. Services available to all students include:

Study and live smarter (Study Smarter program):
We offer personal and educational counselling, as well as short courses in learning and research skills, and academic and thesis writing. We strongly encourage all international students to take full advantage of these services while studying with us.

Make a world of new friends:
The Language and Cultural Exchange (LACE) program fosters intercultural friendship and understanding between international and domestic postgraduate students and staff across the campus.

Be healthy:
The University Medical Centre has experienced medical staff on campus who provide convenient, comprehensive and confidential medical care to students.

Plan your career:
UWA’s Careers Centre assists with vocational counselling and long-term career planning as well as short term, part-time and casual job applications.

Feel at home:
UWA’s Housing Service provides information on accommodation options and advice on housing issues, including helping students to understand leases, bonds, tenancy law and the costs involved with establishing a household.

Take care of your children:
UWA’s child care services provide day care, after school care and school holiday programs.

Get support if you have a disability:
UWA offers services and support for students with disabilities and medical conditions including customised orientation, access to specialised equipment and software, and advocacy.

You’ll find these programs and more at:
www.student.uwa.edu.au/life
UWA understands how important it is to international students and their families to find good quality accommodation close to campus. There are many accommodation options available to international students designed to suit different needs.

Renting or leasing
You can rent or lease an apartment, unit or house on your own or share with others. When you rent or lease, you take responsibility for the property and sign a rental contract. The approximate cost of renting a one-, two- or three-bedroom house near the University ranges from AUD $320 (one bedroom) to AUD $700 (three bedrooms) per week, but this depends on the size, location and quality of the housing. Accommodation close to the University is in high demand and good accommodation can be found all over Perth for less. It is important to be aware that most rental leases will require a commitment of at least twelve months and you should bring character references with you to support your rental applications.

The initial cost of moving into a rented property includes:
- Two weeks to be paid in advance;
- Four weeks rent is required as a bond. This is refundable at the end of the tenancy agreement as long as the property has been maintained in good condition;
- One weeks’ rent as a letting fee. This is a non-refundable fee charged by the letting agent. It cannot be charged by private owners;
- Utilities connection fees, such as phone or electricity;
- Stamp duty if the rent is more than AUD$125 per week.

Prices quoted were accurate at the time of printing and are an indication only. We recommend students conduct their own searches of relevant websites when budgeting and preparing to come to Perth.

College living at UWA
The five residential colleges at UWA support the student experience by offering great places to live as well as providing opportunities and programs that create an all-inclusive learning experience. It is this vibrant combination of living and learning that adds a valuable dimension to your degree.

The colleges typically have private, fully furnished bedrooms, along with common rooms, study areas, resource/computer rooms, various social, sporting/recreational spaces and are catered.

The colleges are directly adjacent to the main UWA Crawley campus. Each college has its own style and feel, but all are united in their commitment to provide welcoming, comfortable, secure and convenient living.
Go to ‘College living at UWA’ webpage studyat.uwa.edu.au/about/accommodation/college-living/apply and click on the UWA Residential Colleges Application Portal link to apply online.

Note: Your place at a residential college is subject to accepting your offer to study at UWA.

Steps to finding off-campus accommodation
The University’s Housing Office has an online housing database for UWA students. International students who have been offered a place at UWA but have not yet enrolled can create an account and access the database. To find out how to create an account, go to www.housing.uwa.edu.au/housing-database and follow the instructions.

The Housing Office will verify that you have been made an offer and then give you access to the online searchable database, which includes lists of people looking to share a property or who have a vacant property to rent.

This overview should be read in conjunction with each college’s fee schedule, located on their websites. Prices quoted are for 2015 and are meant to give an indication of costs only. 2016 fees will be available late 2015. Check the college websites for this information.

- Please note there is a one-off non-refundable application fee of AUD $125.
- The standard yearly fee is for accommodation, a set number of meals, utilities and cleaning. Other annual fees may apply such as a contingency fee, an internet fee, building and/or amenities fees, and College Club membership. For a full list, please refer to each individual college website.
- The UWA academic year comprises of 34 weeks with five-week mid-year break between semesters. The number of weeks in the standard year fee varies from college to college. Please refer to the individual college websites for details about lease dates. All first-year college students undertake one extra week of college living – Orientation Week. See associated charges for each college’s Orientation Week.

* Estimates only based on average expenses
The cost of attending university involves more than just paying tuition fees. You will need to fund accommodation, travel to and from campus, buy books and stationery, and consider how much you spend on food and entertainment.

Cost of living
The annual cost of living in Perth depends on your lifestyle and the type of accommodation you chose, however AUD$450–$550 per week is generally sufficient for most single students to live comfortably (this does not include tuition fees or medical cover). In addition you will need extra funds to cover various items such as airfares and textbooks. There may also be ancillary fees applicable to your course. To find your faculty information, visit www.teachingandlearning.uwa.edu.au/students/fees

The comparative table gives an indication of the type of expenses and average costs you will need to meet. Students with a family (spouse and one child) should budget a minimum of AUD $900 per week (AUD $46,800 per annum) for living expenses. Please use it as a guide only.

Part-time employment
Under the terms of a student visa, once you have commenced your course of study in Australia, you may work up to 40 hours per fortnight while your course is in session and unlimited hours during scheduled course breaks.

The University has a Careers Centre to help students find part-time and vacation work but it is important to be aware that work is not always available. Students should not rely on earning sufficient income to support their studies and the Department of Immigration and Border Protection may decline a visa on this basis.

www.careers.uwa.edu.au

Overseas Student Health Cover (OSHC)
The Department of Immigration and Border Protection requires all international students applying for a student visa to have Overseas Student Health Cover (OSHC) for the entire duration of their student visa. OSHC is offered by a number of providers, see www.studynational.gov.au/global/live-in-australia/insurance. You may obtain OSHC from the provider of your choice.

OSHC is a specially negotiated premium only available to international students and covers standard health requirements. Payments are based on the length of the study program. The fees quoted above are not the fees payable if you obtain insurance from another provider. This is not applicable to students from Norway and Sweden who are covered under a separate arrangement.

www.student.uwa.edu.au/courses/fees/ssaf

An electronic SSAF Statement of Account notification fee will be sent to your UWA student email account each semester following your enrolment.

This is a specially negotiated premium only available to international students and covers standard health requirements. Payments are based on the length of the study program. The fees quoted above are not the fees payable if you obtain insurance from another provider. This is not applicable to students from Norway and Sweden who are covered under a separate arrangement.

www.international.uwa.edu.au/newstudents/family

There are three types of policies available to students:
- Single cover – covers only the valid student visa holder
- Dual family cover – covers one valid student visa holder plus either one adult spouse, or one or more dependent children
- Multi-family cover – covers one valid student visa holder plus more than one dependent – this can include one adult spouse and one or more dependent children.

The University of Western Australia | INTERNATIONAL POSTGRADUATE PROSPECTUS 2016–2017 | 23
Postgraduate scholarships support the position of The University of Western Australia as one of Australia’s leading research intensive universities and the premier research institution in Western Australia. There are also a growing number of scholarships for students in postgraduate coursework programs.

The purpose of UWA scholarships and awards is to ensure equity and access for all students and to reward and acknowledge excellence in our community.

Most UWA scholarships are applied for online. For detailed descriptions of individual scholarships, as well as comprehensive information on deadlines, entry requirements, eligibility and how to apply, visit www.studyat.uwa.edu.au/international/scholarships

UWA’s funding opportunities include:

International Postgraduate Research Scholarships (funded by UWA)
The purpose of the International Postgraduate Research Scholarships (IPRS) is to attract top quality international postgraduate students to UWA’s research strengths to support Australia’s research efforts. Successful applicants can expect to become members of a research team working under the direction of senior researchers and in areas which has attracted external resources.

Applicants for IPRS at UWA are rated according to the following criteria:
- Academic achievement
- English language achievement
- Research training achievement
- Proposed research environment.

Allocation of scholarships is the outcome of a competitive ranking and selection process in which applicants are scored and ranked by schools, faculties and the University Scholarships Committee, according to these common criteria and on the basis of evidence provided.

International scholarships (funded by UWA)
These scholarships are awarded by the University to assist and encourage international students to undertake studies in a particular faculty or specific discipline at UWA. Scholarships are awarded to students who have achieved academic excellence in a subject or course. UWA offers a range of scholarships to international students. Visit www.studyat.uwa.edu.au/international/scholarships

Australia Awards (funded by the Australian government)
Australia Awards aim to promote knowledge, education links and enduring ties between Australia and other nations, through an extensive range of scholarship programs.

The program consists of Australia Awards long-term Scholarships, Australia Awards short-term Scholarships, and Australia Awards Fellowships.

Australia Awards aim to:
- develop capacity and leadership skills so that individuals can contribute to development in their home country
- build people-to-people linkages at the individual, institutional and country levels.

Australia Awards brings the Australian Government Department of Foreign Affairs and Trade (DFAT), the Department of Industry, Innovation, Climate Change, Science, Research and Tertiary Education (DIICCSRTE) and the Australian Centre for International Agricultural Research (ACIAR) scholarships together under the one program.

More information, including applicant eligibility criteria can be found at: www.australiaawards.gov.au
Australian Government scholarships provide educational, research and professional development opportunities to support growth in the region and to build enduring links at the individual, institutional and country levels.

All Australian scholarship information can be found at www.australiaawards.gov.au

Endeavour Awards (funded by the Australian government)
Endeavour Awards are the Australian Government’s internationally competitive, merit-based scholarship program, providing opportunities for citizens of the Asia Pacific, the Middle East, Europe and the Americas to undertake study, research and professional development in Australia. Awards are also available for Australians to undertake study, research and professional development abroad. www.innovation.gov.au/InternationalEducation/EndeavourAwards

Sponsorships (funded by a student’s home government)
UWA works with a broad range of governments and organisations in the provision of funding arrangements for international students at UWA.

Sponsored students receive financial assistance from government, an organisation or company to undertake studies at UWA. Funding of the sponsorship is usually from an organisation within the student’s home country.

UWA welcomes sponsored students and encourages students to make enquiries within their home country about how to become an international sponsored student. To view a list of recognised sponsorships at UWA, visit www.studyat.uwa.edu.au/international/scholarships

“The IPRS offered me a unique opportunity to undertake my PhD project at a university renowned for its high-impact research. The financial assistance made available through the scholarship has allowed me to focus entirely on my research project.

It has provided avenues for my personal and professional growth and the chance for a life changing experience.”

Dilyara Nigmatullina
PhD Candidate
Law School

Australian Government scholarships
Australian Government scholarships provide educational, research and professional development opportunities to support growth in the region and to build enduring links at the individual, institutional and country levels.

All Australian scholarship information can be found at www.australiaawards.gov.au

Postgraduate scholarships
For more detailed information on the postgraduate scholarships offered by UWA, visit www.studyat.uwa.edu.au/international/scholarships

MASTERS OF ARCHITECTURE RECOGNISED BY THE COMMONWEALTH ASSOCIATION OF ARCHITECTS (CAA) AND COVERED BY THE CANBERRA ACCORD
The Faculty of Architecture, Landscape and Visual Arts (ALVA) is dedicated to excellence in teaching, learning, practice and research in multiple aspects of building and visual culture, design and art.

Postgraduate coursework and research programs attract high quality students from around the world seeking to advance scholarship in the disciplines of Architecture, Landscape Architecture, Urban Design, Art History and Visual Arts.

Excellence at ALVA is reflected in our reputation for being at the forefront of international practice in a diverse range of fields. Faculty courses are distinguished by a philosophy and research environment that encourages imaginative work between design, art and text; the research-teaching nexus; and collaborations among ALVA staff and postgraduate students between disciplines and faculties, as well as nationally and internationally.

Areas of Faculty teaching and research strengths:
- Future cities
- Critical studies of the built environment
- Landscape urbanism
- Affordable and sustainable housing
- Innovative design technologies
- Urban history
- Australian visual culture
- Indigenous art
- Nineteenth and twentieth century modernism
- Experimental art

Lively debate, critical engagement and studio work form the core activities in the Faculty.

Our culture is individually-oriented, future-focused and values innovation and collaboration between creative disciplines. Together we produce tangible benefits for our graduates and society.

“UWA is the closest Group of Eight University to Malaysia. The University has a great reputation, global connections and prestigious opportunities.

Upon graduation from UWA I was awarded the inaugural PAM Tan Sri Chan Sau Lai Architecture Award by the Malaysian Institute of Architects (PAM) – a prestigious award that has advanced my career tremendously.

The architecture course has equipped me with the knowledge and practical skills to become a well-rounded and accomplished professional architect in Malaysia.”

Master of Architecture

studyat.uwa.edu.au/m/architecture
UWA course code: 25520
CRICOS code: 084738G
Duration: 2–3 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $33,500
Apply online at uwa.edu.au/applynow

Course description
The Master of Architecture emphasises the application of concepts to the design of specialised building projects, with a focus on context, environmental performance and sustainability. You will complete core units in technology and practice and then direct your study within a range of option units in design, technical and critical studies streams.

Professional accreditation
This professionally accredited degree pre-qualifies you for registration in Australia and is recognised internationally by the Commonwealth Association of Architects (CAA) and the Canberra Accords.

REQUIREMENTS
(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Architecture (Design)

studyat.uwa.edu.au/d/architecture-design
UWA course code: 25920
CRICOS code: 058202M
Duration: 3 years
Intake period: any time during the academic year
Mode of study: research (creative work)
2016 tuition fee (per year): AUD $31,500
Apply online at uwa.edu.au/applynow

Course description
The Master of Architecture (Design) is a program of independent, supervised research leading to the presentation of an exhibition of architectural design equivalent in scope to the fully resolved design of a building of major cultural significance.

REQUIREMENTS
To be considered for admission to this course an applicant must demonstrate that they have fulfilled the requirements of the University Policy on: Adequate Research Preparation (www.postgraduate.uwa.edu.au/schools/research-preparation) and any other requirements for admission of the University, and—
(a) have a bachelor's degree of this University or a qualification recognised by the Board as equivalent; or
(b) have previously undertaken work, which in the Board’s opinion is of a sufficiently high standard, towards a higher degree by research in this or another approved institution but has not submitted it for any degree; and have completed and had approved by the Board, on the recommendation of the supervisor and the Head of the School of Architecture, Landscape and Visual Arts, a Doctor of Architecture (Design) research proposal; or
(c) have the degree of bachelor of this University or have a qualification recognised by the Board as equivalent, and have, since graduation completed at a satisfactory level a Higher Degree by Research Preliminary Program, or equivalent as determined by the Board, in the subject area in which research is to be undertaken; and
(d) have sufficient architectural design experience as determined by the Board on the recommendation of the Head of the School of Architecture, Landscape and Visual Arts.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Doctor of Architecture (Design)

studyat.uwa.edu.au/d/architecture-design
UWA course code: 25920
CRICOS code: 058202M
Duration: 3 years
Intake period: any time during the academic year
Mode of study: research (creative work)
2016 tuition fee (per year): AUD $31,500
Apply online at uwa.edu.au/applynow

Course description
The Doctor of Architecture (Design) is a program of independent, supervised research leading to the presentation of an exhibition of architectural design equivalent in scope to the fully resolved design of a building of major cultural significance.

Master of Curatorial Studies in Fine Arts

studyat.uwa.edu.au/m/curatorial-studies-fa
UWA course code: 25770
CRICOS code: 07750K
Duration: 2 years
Intake period: any time during the academic year
Mode of study: research (thesis and creative work)
2016 tuition fee (per year): AUD $31,500
Apply online at uwa.edu.au/applynow

Course description
This specialist degree provides a high status and professional qualification suitable for graduates who seek a museum profession in Australia or overseas as curators, exhibition organisers or researchers.

The degree is run in collaboration with UWA museums and various external Western Australian public art galleries providing students with subject experience in curatorial research and exhibition presentation.

REQUIREMENTS
(i) have completed the requirements of a bachelor's degree of this University requiring at least four years of full-time study, or the part-time equivalent, in a subject area considered by the Dean of the Faculty of Architecture, Landscape and Visual Arts to be relevant to curatorial studies, or the equivalent of this qualification as recognised by the Board; and
(ii) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Fine Arts

studyat.uwa.edu.au/m/finearts
UWA course code: 25740
CRICOS code: 013801D
Duration: 2 years
Intake period: February, July
Mode of study: research
2016 tuition fee (per year): AUD $30,700
Apply online at uwa.edu.au/applynow

Course description
This specialist degree provides an internationally recognised academic qualification in the theory and practice of the fine arts.

The Master of Fine Arts (MFA) enables artists to pursue sustained individuated research that contributes to the understanding of current art practice and associated theories of contemporary culture.

The MFA assumes a high level of both theoretical and practical expertise, as well as a substantive understanding of key conventions in the discipline.

REQUIREMENTS
(i) have completed the requirements for the degree of bachelor in an appropriate subject area from this University, or equivalent as recognised by the Board; and
(ii) have completed the requirements for a qualification in Art Practice from a recognised tertiary institution, or be judged by the Board, having regard to the recommendation of the Dean of the Faculty of Architecture, Landscape and Visual Arts, to have equivalent practical expertise and professional standing; and

studyat.uwa.edu.au/mphil
UWA course code: 00710
CRICOS code: 078213J
Duration: 2 years
Intake period: any time during the academic year
Mode of study: thesis
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
The MPhil is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

REQUIREMENTS
Refer to page 11
English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Graduate Certificate in Urban Design

studyat.uwa.edu.au/gc/urban-design
UWA course code: 25210
CRICOS code: 058209D
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $15,635
Apply online at uwa.edu.au/applynow

Course description
The Graduate Certificate in Urban Design provides you with a preliminary overview of the discipline of urban design and an introduction to its core practices, theories and methods. You will complete one design studio unit and two core theory units.

REQUIREMENTS
A relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA with the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(a) a Graduate Diploma in Urban Design, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Urban Design

studyat.uwa.edu.au/m/urban-design
UWA course code: 25310
CRICOS code: 074757J
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2016 tuition fee (per year): AUD $31,500
Apply online at uwa.edu.au/applynow

Course description
The Master of Urban Design provides a focused first year of history, theory, implementation strategy and studio based learning as a platform and contextual base to a final (second) year of independent research by design and/or dissertation.

The second year of independent supervised research by dissertation and/or design will allow you to apply principles of urban design at an advanced level relevant to your area of expertise. You will complete core units which includes two design studios, four theory units and a research component.

REQUIREMENTS
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA with the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

(ii) a Graduate Diploma in Urban Design, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).
The Master of International Relations strengthened my career in foreign affairs and diplomacy. The course taught me valuable skills in international affairs including the fundamental frameworks of international relations, consideration for the bigger picture and how to build cogent arguments based on empirical evidence.

The international academics and great connections offer a high quality education for a successful career.”

Kyle Springer
Program Associate
The Perth USAsia Centre
Master of International Relations graduate
Home country: United States of America
The Faculty of Arts offers a range of postgraduate studies in the humanities, social sciences and music, including graduate certificates and diplomas, masters by coursework and research and the Doctor of Philosophy.

The Faculty is committed to the pursuit of intellectual inquiry and progress of knowledge. Internationally renowned research leaders build the capacity of our graduates so they can critically analyse and develop creative solutions for the challenges faced by business and society. This expertise advances professional skills, increases career choices and work flexibility.

Postgraduate coursework programs have been designed to build knowledge that is valued in the workplace.

Students can study in one of our many disciplines from political science and international relations, Asian studies and languages, European studies and languages, anthropology, archaeology, linguistics, ancient, early and modern history, English and cultural studies, philosophy or music studies. Our graduates have become leaders, peacemakers, environmentalists, communication experts, philanthropists, teachers and celebrated musicians.

Areas of Faculty teaching and research strengths:
- Archaeology, Rock Art and Heritage Studies
- Asian Studies
- Australian History and Literature
- Creative Writing
- Migration Studies
- Translation Studies
- International Relations
- History of Emotions
- Music and Wellbeing

The UWA Business School is one of the premier business schools in the Asia-Pacific region. The School inspires and propels talented students from around the world to become the respected and innovative academic, community and business leaders of tomorrow.

We are one of only seven institutions in Australia to hold international accreditation from both EQUIS, the European Quality Improvement System and AACSB, the Association to Advance Collegiate Schools of Business. This ensures our degrees are recognised by employers worldwide, and guarantees the quality of our teaching, research and other operational areas.

The UWA Business School is home to more than 200 staff, servicing 5,750 undergraduate and postgraduate students. Overseen by a Board of highly respected business leaders, the School fosters outstanding links with corporate partners and alumni, enabling the delivery of a world-class education and thought leadership for our students.

Our major corporate partners include ATCO Australia, BHP Billiton, EY, Macquarie Group, PricewaterhouseCoopers, Wesfarmers and Woodside. These industry links enable us to provide a richer education for our students, and ensure our programs are relevant and valuable to industry.

Our postgraduate programs, including the popular Master of Business Administration, Master of Commerce and Master of Professional Accounting, are complemented by specialist coursework and research programs in business information management, economics, entrepreneurship and innovation, finance, human resources and employment relations, marketing and social impact.

A wide range of option units is available in areas including entrepreneurship and innovation, finance, leadership, natural resource management, and social impact.

In addition, you can choose to participate in extracurricular networking and professional development activities.

**REQUIREMENTS**

- A bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
- (a) a Graduate Management Admission Test (GMAT) score of at least 550; or
- (b) a graduate certificate in Business, or an equivalent accredited post-experience qualification, as recognised by UWA; and
- (c) a valid Graduate Certificate in Business Administration Test (GMAT) score of at least 550; or
- at least two additional years (five years total) of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; or
- at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

**English language requirement:** IELTS (Academic) 6.5 (no band lower than 6.0).

- GMAT scores are valid for five years.

---

**Master of Business Administration (Full-time)**

[uwa.edu.au/m/mba-full]

- **UWA course code:** 43520
- **CRICOS code:** 081415F
- **Duration:** 1 year
- **Intake period:** January
- **Mode of study:** coursework and dissertation
- **2016 tuition fee (per year):** AUD $66,500
- **Apply online at:** studyat.uwa.edu.au/mba-full

**Course description**

The MBA Full Time is an intensive 12-month course designed to equip experienced professionals with the leadership and management skills to transform their careers.

The course includes a tailored personal and career development program, in-depth contact with industry and senior executives, and a choice of three specialist focus areas: Leadership; Natural Resources; or General Management.

**REQUIREMENTS**

- A bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
- (a) a satisfactory personal statement, as recognised by UWA and two satisfactory references, as recognised by UWA; and
- (c) a valid Graduate Management Admission Test (GMAT) score of at least 550; and
- (d) a valid GMAT score of at least 550 and at least three years of relevant, documented professional experience; and
- (e) a valid Graduate Certificate in Business Administration Test (GMAT) score of at least 550 and at least two years of relevant, documented professional experience; and
- (ii) the requirements for provisional admission to the Master of Business Administration degree of this University and a minimum of seven years’ appropriate experience.

**English language requirement:** IELTS (Academic) 7.0 (no band lower than 6.5).

- GMAT scores are valid for five years.

---

**Doctor of Business Administration**

[uwa.edu.au/d/business-admin]

- **UWA course code:** 40830
- **CRICOS code:** 07770F
- **Duration:** 3 years
- **Intake period:** beginning of the academic year
- **Mode of study:** thesis and coursework
- **2016 tuition fee:** AUD $36,000
- **Apply online at:** studyat.uwa.edu.au/applynow

**Course description**

The course is designed for research-oriented individuals working in management positions in business, public sector and non-profit organisations.

**REQUIREMENTS**

- (a) the Master of Business Administration degree of this University, or equivalent as recognised by the Faculty, at a level that satisfies the Faculty that the student has the capacity to complete the Doctor of Business Administration; or
- (b) the requirements for provisional admission to the course for the degree of Doctor of Philosophy of this University and a minimum of seven years’ appropriate experience.

**English language requirement:** IELTS (Academic) 7.0 (no band lower than 6.5).

---

**Master of Business Information Management**

[uwa.edu.au/m/business-info-mgt]

- **UWA course code:** 41670
- **CRICOS code:** 089271A
- **Duration:** 2 years
- **Intake period:** February, July
- **Mode of study:** coursework
- **2016 tuition fee (per year):** AUD $34,400
- **Apply online at:** studyat.uwa.edu.au/applynow

**Course description**

The Master of Business Information Management develops and expands your skills in enterprise systems requirements, managing and strategically aligning supply chains, analysing organisational data for business intelligence, managing and leading ICT infrastructure projects, and applying emerging technologies across the enterprise.

**REQUIREMENTS**

1.5 years with relevant undergraduate degree.
Master of Commerce
studyat.uwa.edu.au/m/commerce
UWA course code: 41680
CRICOS code: 083272M
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $34,400
Apply online at uwa.edu.au/applynow

Course description
The Master of Commerce includes core studies in all the principal areas of business: accounting, economics, management, marketing, global business and ethics, as well as a range of specialisations and option units.

This course is suitable for both business and non-business graduates wishing to gain advanced skills across a broad range of business areas.

Specialisations
Choose from the following specialisations:
- Accounting
- Business information and logistics management
- Employment relations
- Finance
- Human resource management
- Marketing

Note: you cannot select a specialisation in the same field as your undergraduate major.

REQUIREMENTS
Refer to box on page 38

- 1.5 years with relevant undergraduate degree.

Master of Economics
studyat.uwa.edu.au/m/economics
UWA course code: 42620
CRICOS code: 003091A
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2016 tuition fee (per year): AUD $34,400
Apply online at uwa.edu.au/applynow

Course description
The course is designed for those who seek to build upon their existing economics qualifications. Many Master of Economics graduates choose to pursue careers as economic researchers and decision makers, often finding employment in government departments, banks and other major institutions.

Topics covered include microeconomics, macroeconomics, international economics, financial economics, resource economics, public economics, quantitative economics, economic history and economic development.

REQUIREMENTS
Refer to shaded box on page 42.

- 1.5 years with relevant undergraduate degree.

Master of Philosophy—Economics and Commerce
studyat.uwa.edu.au/m/mphil
UWA course code: 00710
CRICOS code: 078212K
Duration: 2 years
Intake period: any time during the academic year
Mode of study: thesis
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

REQUIREMENTS
Refer to page 11

English language requirement: IELTS (Academic) 7.0 (minimum of 6.5 in reading and writing and 6.0 in speaking and listening).

Master of Professional Accounting
studyat.uwa.edu.au/m/prof-accounting
UWA course code: 40610
CRICOS code: 083274J
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $37,200
Apply online at uwa.edu.au/applynow

Course description
The Master of Professional Accounting provides training in the technical aspects of the preparation of accounting data; develops your skills in the application of accounting information to solve problems and make decisions; and develops knowledge and skills in related professional disciplines such as finance, taxation, auditing and management.

The course is recognised by CPA Australia, the Institute of Chartered Accountants in Australia, and the Institute of Public Accountants.

REQUIREMENTS
Refer to shaded box on page 42.

- 1.5 years with relevant undergraduate degree.
The Faculty of Education maintains a tradition of excellence in both teaching and research. We offer world-class postgraduate courses for future teachers, current teachers and research candidates, and our graduates take on leadership roles in education all over the world.

We produce the highest quality graduates for global and local settings through our outstanding teaching and supervision, comprehensive support and the fine balance of theory and practice in our courses.

In the QS World University Rankings by Subject the UWA Faculty of Education is ranked 33rd in the world and 7th in Australia, and the Faculty’s employer reputation score is higher than that of any other West Australian education faculty.
“The academics at UWA are leading experts in the field. The supervisors of my doctoral thesis — which is about school leadership in Indonesia — are very experienced and have provided clear direction, guidance and professional support. My degree has prepared me with the expert knowledge to succeed in international education.”

Dwi Esti Andriani
Lecturer
Educational Administration
Department Faculty of Education
Yogyakarta Indonesia
Doctorate in Education graduate
Home country: Indonesia
The equivalent qualification must be at a level of academic standards. Applicants from 2015-17 are encouraged to undertake a professional practice unit. The Graduate Diploma in Education will be available at UWA through the end of 2017. This is part of an Australia-wide effort to enhance graduate teaching at UWA through the end of 2017.

As there is a severe shortage of secondary English (LOTE) teachers in Australian schools, we encourage those with an undergraduate degree in those areas to consider a career in teaching. The Graduate Diploma in Education will be available at UWA through the end of 2017. This is part of an Australia-wide effort to enhance graduate teaching standards. Applicants from 2015-17 are encouraged to consider the Master of Teaching (Secondary).

**REQUIREMENTS**

(a) a bachelor's degree with a major relevant to secondary teaching curriculum majors offered by UWA, or an equivalent qualification, as recognised by UWA; or

(b) a four-year bachelor's degree with a major in Psychology, or a four-year honours degree in Psychology, or an equivalent qualification, as recognised by UWA and the Psychology Board of Australia for applicants who wish to major in School Psychology. Applicants who wish to major in School Psychology are responsible for ensuring they are eligible for provisional registration as a psychologist.

Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada, the United Kingdom, and the United States of America must provide evidence of English Language Competence in accordance with the requirements of the Teacher Registration Board of Western Australia. International students must obtain a criminal record check from their country of origin or recent residence.

**English language requirement:** IELTS (Academic) 7.5 (minimum of 7.0 in reading and writing and 6.0 in listening and speaking).

**Note:** Applicants must also provide a personal statement at the point of application.

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student with Children Clearance must be presented to the Faculty of Education.

Applicants who have the practical skills required for effective secondary teaching, informed by current theory and research. Candidates must have a degree with a major in the subject that they wish to teach and which can be found in the school curriculum.

You are provided with comprehensive preparation in conceptualising, conducting and reporting research in education, and are encouraged to pursue coursework and research in your own particular area of interest.

**Master of Education**

(ii) a graduate diploma that articulates with the Master of Educational Leadership with an average of at least 65 per cent in three coursework units including a mark of at least 65 per cent in EDUC5631 Approaches to Research; or
(d) a graduate diploma that articulates with the Master of Educational Leadership or towards another relevant graduate diploma of the Faculty; and
(ii) completed units relevant to the requirements of the master’s course; and
(iii) achieved an average mark of at least 65 per cent in EDUC5631 Approaches to Research.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Educational Leadership
studyat.uwa.edu.au/mr/education-leadership
UWA course code: 31650
CRICOS code: 064891G
Duration: 1.5 years
Intake period: February, July
Mode of study: thesis and coursework
2016 tuition fee (per year): AUD $29,000
Apply online at uwa.edu.au/applynow
Course description
This course is aimed at educators who are either current or aspiring leaders in their organisations. You will be introduced to theory in national and international educational practices, and encouraged to connect these considerations with your own experiences through the sharing of ideas and information. The course provides you with comprehensive preparation in conceptualising, conducting and reporting research, especially as applied to the substantive area of educational leadership.

REQUIREMENTS
To be considered for admission to this course an applicant must have—the requirements set out in (a), (b) or (c) which follow or the equivalent as recognised by the Faculty; or the requirements set out in (d):
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) a graduate diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research; or
(b) (i) completed at least three units towards a graduate diploma that articulates with the Master of Educational Leadership or towards another relevant graduate diploma of the Faculty; and
(iii) achieved an average mark of at least 65 per cent in three coursework diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Graduate Diploma in Educational Leadership
studyat.uwa.edu.au/gd/edu-leadership
UWA course code: 30240
CRICOS code: 042568A
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $14,500
Apply online at uwa.edu.au/applynow
Course description
The diploma is particularly suited to leaders and professionals in the Education sector who want to undertake preliminary postgraduate studies that also provide the option for future study.

You will be exposed to theory as well as national and international educational leadership practices. It is encouraged that these diverse theories and leadership practices are linked with your own experiences through the sharing of ideas and information. The course provides you with comprehensive preparation in conceptualising, conducting and reporting research, especially as applied to the substantive area of educational leadership.

REQUIREMENTS
A student who has completed the doctoral coursework component with an average mark of at least 70 per cent, and adequate research preparation as determined by UWA.

English language requirement: IELTS (Academic) 6.5 (no band less than 6.5).

Additional Information
EARLY CHILDHOOD, PRIMARY AND SECONDARY TEACHING
Requirements
Teacher education students are required to obtain a National Criminal Record Check and a Working with Children Clearance before being placed on teaching practice. Students must also obtain a police clearance before placement and it is strongly recommended that international students obtain this from their home country before arriving in Australia.
Master of Educational Leadership

studyat.uwa.edu.au/m/edu-leadership

UWA course code: 30520
CRICOS code: 003088G
Duration: 1 year
Intake period: February, July
Mode of study: coursework and dissertation
2016 tuition fee (per year): AUD $29,000
Apply online at uwa.edu.au/applynow

Course description
This course is aimed at professionals and researchers in education, and led by experts in the field of educational leadership. The course introduces you to theory as well as national and international educational practices. You can then connect these considerations with your own experiences and, through dialogue and the sharing of ideas and information, broaden your knowledge and enhance your capabilities.

The course also provides an opportunity for you to develop specialised research skills as a foundation for further professional investigation in the substantive area of educational leadership.

Articulation is available within this study area. For more information, go to page xx.

REQUIREMENTS
(a) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) at least two years of relevant full-time professional experience or evidence of adequate research preparation, as recognised by UWA;
(b) (i) a relevant postgraduate degree requiring at least one year of full-time study, or an equivalent qualification, as recognised by UWA; and
(ii) at least two years of relevant full-time professional experience or evidence of adequate research preparation, as recognised by UWA;
(c) (i) a degree requiring at least four years of full-time study; and
(ii) at least two years of relevant full-time professional experience; and
(d) evidence of adequate research preparation, as recognised by UWA;

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Teaching

studyat.uwa.edu.au/courses/master-of-teaching-coursework-secondary

UWA course code: 31520
CRICOS code: 077502G
Duration: 2 years
Intake period: February
Mode of study: coursework
2016 tuition fee (per year): AUD $29,000
Apply online at uwa.edu.au/applynow

Course description
This course prepares university graduates for a rewarding career in teaching. By studying a teaching degree at UWA you will gain valuable practical experience in our many partner schools, and work with outstanding lecturers who integrate theory and practice across learning areas.

Specialisations
Choose from the following specialisations:
- Early Childhood
- Primary
- Secondary

Early Childhood
Early childhood teachers play a critical role in preparing young children for lifelong learning, personal wellbeing and participation in society. This course places a strong emphasis on in-depth knowledge of the research, theory and practical skills required of educators in early childhood settings, from preschool to the lower primary years.

The Master of Teaching (Early Childhood) will qualify you to work in government and non-government schools, both in Australia and internationally, as well as in a range of other early childhood setting such as childcare centres.

Primary
Primary teachers are pivotal in helping children build strong foundations and confidence in their learning. This course provides in-depth knowledge on how to support children in their development of knowledge, understanding and skills across a range of learning areas. The Master of Teaching (Primary) will qualify you to teach in Primary Schools.

Secondary
Candidates must have a degree with a major in the subject that they want to teach and which can be found in the school curriculum. This course aims to graduate highly skilled professionals who have the key practical skills required for effective secondary teaching, informed by current theory and research.

As there is a severe shortage of secondary Mathematics, Physics and Languages Other Than English (LOTE) teachers in Australian schools, we particularly encourage students with qualifications in those areas to consider a career in teaching. Refer to studyat.uwa.edu.au/m/teaching-secondary.

REQUIREMENTS
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) (i) at least one year of the bachelor’s degree relevant to one or more learning areas in the Early Childhood or Primary school curriculum for applicants who wish to major in Early Childhood or Primary Teaching respectively; or
(ii) a major relevant to secondary teaching curriculum majors offered by UWA for applicants who wish to major in Secondary Teaching; or
(iii) majors in Music Studies and Specialist Music Studies for applicants who wish to undertake the Music Specialisation course; or
(iv) a major in Music Studies and evidence of specialist music skills for applicants who wish to undertake the Music specialisation course.

Applicants who have a bachelor’s degree in education, or an equivalent qualification, as recognised by UWA, are not eligible for admission.

Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada, the United Kingdom, and the United States of America must provide evidence of English Language Competence in accordance with the requirements of the Teacher Registration Board of Western Australia.

International students must obtain a criminal record check from their country of origin or recent residence.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.0 in reading and writing and 8.0 in listening and speaking).

Note: Applicants must also provide a personal statement at the point of application.

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student undertakes a professional practice unit.

The equivalent qualification must be at a level of academic achievement considered by UWA to be sufficient to permit satisfactory completion of the course. The equivalent of a UWA weighted average mark of at least 60 is used as a guide to decision making, however, admission to the course is competitive.

Doctor of Philosophy

www.studyat.uwa.edu.au/phd

The Faculty of Engineering, Computing and Mathematics has an international reputation for producing world-class graduates who are creative, original and enterprising.

The Faculty is home to approximately 380 staff and over 3500 students—249 of whom are completing a higher degree by research, 382 studying postgraduate coursework programs and more than 2500 enrolled in undergraduate courses.

The Faculty’s research teams benefit from global collaborations and attract a research income of more than AUD $27 million a year—well above the national average. The Faculty has also developed strong links and partnerships with industry to ensure new technologies and strategies are developed to benefit the global community.

Some of our recent research successes include the O-tube pipeline research team winning the 2014 Australian Industrial Research Group (AIRG) Medal for Australasian Major Industry Technological Innovation; Professor George Milne and his team winning a Western Australian Premier’s Award for Excellence and the Asia Pacific Information and Communication Technology Alliance (APICTA) Award in Hong Kong for research into bushfire modelling; and Professor Yinong Liu and a team of researchers from Australia, China and the US creating a super strong metallic composite by harnessing the extraordinary mechanical properties of nanowires.

Well-established links between the Faculty and industry mean that our graduates enjoy excellent career prospects, showcased by an impressive list of high-profile graduates. Some of the recent achievements of our staff and students include:

- Professor Cheryl Praeger elected Foreign Secretary of the Australian Academy of Science and elected as an Honorary Member of the London Mathematical Society
- Professor Mark Cassidy accepting an Australian Laureate Fellowship from the Minister for Innovation, Industry, Science and Research
- Professor David Sampson elected as a Fellow of the prestigious international society for optics and photonics (SPIE) and also a Fellow of the international authority on optics and photonics, the prestigious Optical Society (OSA)
- The Optical+Biomedical Engineering Laboratory winning a Cancer Council Western Australia AUD $99,537 grant to support critical work on a new breast cancer detection tool
- Professor Ramin Rafiei winning an Australian Government science and innovation award for a ground-breaking water stress sensor
- Professor David White holding the Shell EMI Professorial Chair in Offshore Engineering, strengthening the world-class research and education in WA’s offshore petroleum industry
- UWA teams receiving the Overall Champion Award at the national Engineers Without Borders competition four times in the past five years
- UWA’s Renewable Energy Vehicle Project (REV) team installing an Australia-first fast-charging car station on campus
- Professor Robert McLaughlin winning the international SPIE Start Up technology challenge in San Francisco
“Most of my colleagues are UWA Engineering graduates; the technical and theoretical knowledge you learn throughout the course really prepares you for the complex challenges and opportunities you face as an Engineer in the field.

Also UWA’s professional connections, industry reputation and global rankings are fantastic.”

Master of Engineering in Oil and Gas

studyat.uwa.edu.au/m/oil-gas

UWA course code: 62520
CRICOS code: 08386E1A
Duration: 1 - 2 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $37,000
Apply online at uwa.edu.au/applynow

Course description
This course is aimed at engineering graduates who are seeking a career in the oil and gas industry. The course provides you with industry-relevant advanced knowledge about technical implementation and leadership in the oil and gas industry. A particular focus is placed on natural gas, both its extraction and subsequent conversion to Liquefied Natural Gas (LNG).

You will also develop professional levels of skill in a range of key areas including petroleum engineering; gas economics; investment strategies and liabilities; work-flow concepts; and current production and processing technologies.

Requirements
An engineering degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

The course duration may be reduced to 1 year for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Master of Information Technology

studyat.uwa.edu.au/m/info-technology

UWA course code: 62510
CRICOS code: 08386E6G
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $35,000
Apply online at uwa.edu.au/applynow

Course description
This course is aimed at graduates who have a tertiary degree in a discipline other than computing, and who seek to develop specialist skills in computing and software engineering.

Graduates of this course will have the knowledge and skills to anticipate the changing direction of IT and evaluate and communicate the effectiveness of new technologies in order to help an organisation achieve its goals and objectives.

The course has a strong emphasis on the application of contemporary and emerging technologies, including cloud and high performance computing, agile web development and software project design and management.

Master of Philosophy

Intake period: any time during the academic year
Mode of study: thesis
2016 tuition fee (per year): AUD $41,500
Apply online at uwa.edu.au/applynow

Course description
The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements
Refer to page 11

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Professional Engineering

studyat.uwa.edu.au/mpe

UWA course code: 62550
CRICOS code: 081025J
Duration: 2–3 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $37,000
Apply online at uwa.edu.au/applynow

Course description
This course is for graduates who have completed undergraduate studies in engineering, mathematics or physics and who want to gain an internationally recognised qualification to practise as a professional engineer.

The course, designed in consultation with industry, equips you with both outstanding technical and leadership skills and the ability to work creatively as part of a team across the breadth of an engineering challenge in your area of specialisation.

Professional accreditation
The Master of Professional Engineering has been assessed for accreditation by Engineers Australia, the national accreditation body. As is standard practice for new courses, it has provisional accreditation until the required number of students graduate in 2014/15. In addition, our graduates are recognised internationally through the the Washington Accord of the International Engineering Alliance.

Professional practicum
As part of your engineering studies you will complete a total of twelve weeks work experience. This can be done with an engineering firm of your choice, and should be relevant to your MPE specialisation.

Specialisations
Choose from the following specialisations:
- Civil Engineering
- Chemical Engineering
- Electrical and Electronic Engineering
- Environmental Engineering
- Mechanical Engineering
- Mining Engineering
- Software Engineering

Requirements
(a) a bachelor’s degree with a major in Engineering Science, or an equivalent qualification, as recognised by UWA;
or
(b) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(i) the equivalent of a UWA weighted average mark of at least 65 per cent; and
(ii) prior studies in engineering, physics or mathematics;
or
(c) completed units in the Master of Professional Engineering Preliminary course at UWA as prescribed by the Faculty.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

The course duration will be 2–3 years for graduates without previous studies in engineering or students without required units from prior study. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.
FACULTY OF LAW

The UWA Faculty of Law has a long tradition of providing high-quality legal education and undertaking progressive, high-impact research. The Faculty’s teaching programs have been designed to flexibly meet the needs of law graduates and non-lawyers. The core research business of the Faculty is legal analysis and advice as well as the development of reform proposals in the field of law and legal policy.

The Faculty is home to a number of research clusters in a range of domestic and international, public and private law areas such as business law, intellectual property law, alternative dispute resolution and international law. With a wealth of specialist expertise and a willingness to listen to the needs of government, industry and communities, members of the Faculty have well-established relationships with a range of international organisations and scholars, government bodies, peak industry groups and key private sector players.

Key research areas include:
- Business Law
- Commercial Law
- Consumer Law
- Constitutional Law
- Contract Law
- Criminal Law
- Criminology
- Elder Law
- Equity
- Family Law
- Health / Medical Law
- Human Rights
- Indigenous Peoples And The Law
- Intellectual Property Law
- International Law
- Law & Society
- Legal History
- Limitation Of Actions
- Natural Resources And Environmental Law
- Negotiation And Mediation / Dispute Resolution
- Professional And Research Ethics
- Property Law
- Remedies
- Statutory Interpretation
- Taxation
- Torts.

“Coming from a civil law country, I have definitely achieved a larger knowledge of common law, including the extended use of case law in practice. Furthermore, I have gained a greater insight into oil and gas law and international contract law.

The course helped me gain a larger perspective of international law, which I can use in my current job, where I deal with international tenders and contracts. The new knowledge I acquired from my course has also increased the possibilities to work abroad.”

Graduate Diploma in Chinese Business Law
studyat.uwa.edu.au/gd/chinese-bus-law
UWA course code: 20390
CRICOS code: 084670M
Duration: 0.5 years
Intake period: January, June
Mode of study: coursework
2016 tuition fee: AUD $17,000
Apply online at uwa.edu.au/applynow

Course description
The course will provide you with a comprehensive and advanced knowledge of how to conduct business in China and how to deal with legal and cultural issues in Chinese commercial and economic relations with foreign traders. The course offers an optional China engagement trip.

REQUIREMENTS
(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) a level and duration of education and at least two years of professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

Graduate Diploma in Commercial and Resources Law
studyat.uwa.edu.au/gd/comm-resources-law
UWA course code: 047152G
CRICOS code: 047152G
Duration: 0.5 years
Intake period: January, June
Mode of study: coursework
2016 tuition fee: AUD $17,000
Apply online at uwa.edu.au/applynow

Course description
The course prepares both legal and non-legal professionals with the knowledge and skills for a future in the resources sector.

The diploma can articulate into the master's course. For more information, go to page 9.

REQUIREMENTS
(a) a Juris Doctor, or an equivalent qualification, as recognised by UWA; or
(b) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(c) a Graduate Diploma in Commercial and Resources Law, or an equivalent qualification, as recognised by UWA with the equivalent of a UWA weighted average mark of at least 60 per cent.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

Graduate Diploma in Energy Law
studyat.uwa.edu.au/gd/energy-law
UWA course code: 084994B
CRICOS code: 20370
Duration: 0.5 year
Intake period: January, June
Mode of study: coursework
2016 tuition fee: AUD $17,000
Apply online at uwa.edu.au/applynow

Course description
The Graduate Diploma in Energy Law, which articulates with the Faculty’s Master of Commercial and Resources Law, will give graduates a good grasp of energy law, both in Australia and internationally. This postgraduate course includes subject areas such as exploration and production of minerals and petroleum in Australia, native title, concepts of sustainability and social licence to operate as well as other broad policy objectives.

Coverage of the general principles of oil and gas law, together with the legislation and agreements relevant to commercialisation and infrastructure, are supplemented by case studies based on real-life situations.

REQUIREMENTS
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course and at least two years of relevant professional experience.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

English language requirement: IELTS (Academic) 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

Subject to approval. For the most current information, please check our website studyat.uwa.edu.au/international
Juris Doctor application guidelines: about the Law School Admission Test (LSAT)

As part of the application process for the UWA JD, applicants need to register for, and sit, the Law School Admission Test (LSAT). The LSAT is an independent, international test administered by the Law School Admission Council (LSAC), which sends results directly to the UWA Law School.

The LSAT can be taken in any Australian capital city and in many countries around the world. Applicants should consult the LSAC website to confirm all registration and test date information as dates may vary depending on the centre location. Applicants who have taken the test within the last five years may use those results for admission purposes.

Do I have to sit the LSAT?
All applicants for the UWA JD are required to have registered for the LSAT prior to applying. Only UWA Assured Pathway and Advanced Diploma in Indigenous Studies applicants are exempt from sitting the LSAT.

What can I expect in the LSAT?
The LSAT comprises five multiple choice sections of 35 minutes each and a 35 minute writing sample. The writing sample does not contribute to the calculation of your LSAT score at UWA, although we receive this sample.

The LSAT has three types of questions:
- Reading comprehension
- Analytical reasoning
- Logical reasoning

Go to “About the LSAT” on the LSAC website for a more detailed description of these three question types and what to expect in the LSAT. Information on how the questions in the LSAT are relevant in testing an applicant’s aptitude to study law are also available.

How should I prepare for the LSAT?
In order to perform to your true ability, it is strongly recommended that you take the time to prepare for the LSAT. The LSAC website includes information on LSAT Preparation Materials, providing links to sample questions with explanations and a couple of sample LSAT tests. Applicants are encouraged to download the sample LSAT test online and sit it under exam conditions to decide for themselves if further preparation is needed.

Where can I get more help to prepare for the LSAT?
Many bookshops stock LSAT preparation books which can be ordered online. These books are useful in assisting applicants to perform to their true ability. There is also plenty of material available online that provides tips with LSAT preparation.

Will the selection committee read my LSAT essay?
The UWA Law School Selection Committee will not use the LSAT essay when assessing applications.

When can I sit the LSAT?
The LSAT can be taken in February, June, October and December. LSAT scores are valid for five years and the test can be taken three times in any two year period. Further information is available on the LSAC website.

Can I resit the LSAT?
If you believe that your test score does not reflect your true ability, you can resit the LSAT. Please visit the LSAC website to check the number of times you are allowed to sit the test.

If I resit the LSAT, which score does the selection committee take into consideration?
The selection committee will note all your scores but will use your highest score when assessing applications.

How does UWA retrieve my results?
You must include your eight digit LSAC account number where indicated on the online application form. This allows us to download your LSAT scores directly from LSAC once results are released.

How do I register?
You can register for the LSAT online at the LSAC website www.lsac.org/jd/choosing-a-law-school/australia

- Admission deadlines should be taken into account when selecting your test date.
The Faculty of Medicine, Dentistry and Health Sciences offers courses, training and research opportunities in a wide range of scientific and clinical disciplines, to significantly benefit the health of Australian and international communities.

As a research oriented faculty we encourage the lifelong adaptation and assessment of new theories, treatments and diagnostic techniques that incorporate a holistic approach to the health sciences, and a more sensitive interaction with patients.

Our courses are continuously reviewed to ensure they match the needs of the community.

Areas of research priority are:
- Developmental origins of health and disease
- Aboriginal health
- Genomic medicine (pharmaco-genomics and pharmaco-epidemiology)
- Management of chronic diseases
- Mental health.

Many faculty research staff are leaders in their field nationally and internationally.

“A good education can change your life. For me, UWA served as an important building block in the development of my skills, knowledge building and the advancement of my career opportunities.

My UWA experience further developed my understanding and appreciation for the global public health landscape. My education was instrumental in providing the foundations I need to analyse and implement policies and programs in my career with the National University Health System.”

Astrid Khoo

**Doctor of Clinical Dentistry**

studyat.uwa.edu.au/di/clin-dentistry  
UWA course code: 90840  
CRICOS code: 066911K  
Duration: 3 years  
Intake period: February  
Mode of study: coursework and dissertation  
2016 tuition fee (per year): AUD $95,500  
Apply online at uwa.edu.au/applynow

**Course description**

This course provides training of dentists in one of the following specialty disciplines: Endodontics, Oral Medicine and Oral Pathology, Orthodontics, Periodontics or Paediatric Dentistry.

**Specialisation**

Choose from the following specialisations:

- Endodontics  
- Oral Medicine and Oral Pathology  
- Orthodontics  
- Periodontics  
- Paediatric Dentistry

**REQUIREMENTS**

(a) a Bachelor of Dental Science, or an equivalent qualification, as recognised by UWA;  
(b) at least two years of professional experience in the practice of general dentistry;  
(c) completed the Primary Examination towards Fellowship in the Royal Australasian College of Dental Surgeons, or equivalent, as recognised by UWA.

**English language requirement**: IELTS (Academic) 7.0 (no band lower than 6.5).

**Note**: Candidates must be registered with the Dental Board of Australia for the duration of their candidacy.

---

**Doctor of Clinical Podiatry**

studyat.uwa.edu.au/di/clin-podiatry  
UWA course code: 90830  
CRICOS code: 064878E  
Duration: 3 years  
Intake period: February  
Mode of study: research and coursework  
2016 tuition fee (per year): AUD $94,800  
Apply online at uwa.edu.au/applynow

**Course description**

Qualified podiatrists keen to extend their theoretical and clinical podiatric medicine knowledge will find this course useful. Training is provided in biostatistics, research methodology, theoretical and practical aspects of elective foot surgery and/or management of the high-risk foot, and patient-oriented research, resulting in a dissertation.

**REQUIREMENTS**

(a) a Bachelor of Podiatric Medicine, or an equivalent qualification, as recognised by UWA;  
(b) at least one year of relevant professional experience.  
English language requirement: IELTS (Academic) 6.5 (no individual band below 6.0).

---

**Master of Clinical Research**

studyat.uwa.edu.au/mr/clin-research  
UWA course code: 90620  
CRICOS code: 056098M  
Duration: 2 years  
Intake period: February, July  
Mode of study: thesis and coursework  
2016 tuition fee (per year): AUD $49,800  
Apply online at uwa.edu.au/applynow

**Course description**

Medicine and Dentistry graduates interested in pursuing research may benefit from this course. It provides training in the practical aspects of patient-oriented research, including the ethics of clinical research and effective communication of clinical research results through the core disciplines of clinical investigation, epidemiology and biostatistics.

**REQUIREMENTS**

(a) the Bachelor of Medicine and Bachelor of Surgery of this University, or equivalent as recognised by the Faculty;  
(b) the Bachelor of Dental Science of this University, or equivalent as recognised by the Faculty.

**English language requirement**: IELTS (Academic) 6.5 (no band lower than 6.0). Must include academic reading and writing modules.

---

**Graduate Diploma in Dental Public and Primary Health**

studyat.uwa.edu.au/gd/dental-pub-prim-health  
UWA course code: 80030  
CRICOS code: 051554K  
Duration: 1 year  
Intake period: February, July  
Mode of study: coursework  
2016 tuition fee: AUD $35,000  
Apply online at uwa.edu.au/applynow

**Course description**

The Graduate Diploma of Dental Public and Primary Health is designed to be an appropriate broad-based course of study for a person who wishes to advance their knowledge of dental public and primary health.

**REQUIREMENTS**

(a) the Bachelor of Medicine and Bachelor of Surgery of this University, or equivalent as recognised by UWA; or  
(b) a Bachelor of Dental Science, or an equivalent qualification, as recognised by UWA;

**English language requirement**: IELTS (Academic) 6.5 (no individual band below 6.0).
Master of Dental Public and Primary Health

studyat.uwa.edu.au/m/dental-pub-prim-health

UWA course code: 90330
CRICOS code: 051555J

Duration: 2 years

Intake period: February, July

Mode of study: coursework and dissertation

2016 tuition fee (per year): AUD $35,000

Apply online at uwa.edu.au/applynow

Course description

This course of study is aimed at dentistry and dental health graduates interested in advancing their dental public and primary health knowledge and skills.

Articulation is available within this study area.

For more information, go to page 9.

REQUIREMENTS

(a) a Bachelor of Dental Science or Graduate Diploma in Dental Public and Primary Health, or an equivalent qualification, as recognised by UWA; or
(b) (i) a bachelor’s degree containing a significant component of dental health-related coursework, or an equivalent qualification, as recognised by UWA; and
(ii) at least two years of relevant experience in public or primary dental health.

English language requirement: IELTS (Academic) 6.5 (no band less than 6.0).

Note: Students who hold the Graduate Diploma in Dental Public and Primary Health (80330) (Public Dental Health stream) are given advanced standing.

Doctor of Dental Medicine

studyat.uwa.edu.au/d/dental-medicine

UWA course code: 90360
CRICOS code: 072183C

Duration: 4 years

Intake period: February

Mode of study: professional practice doctorate

2016 tuition fee (per year): AUD $71,500

Apply online at uwa.edu.au/applynow

Course description

This professional practice doctorate provides suitable qualified graduates with the knowledge and skills to enter the Dentistry profession upon completion. Studies cover fundamental dental and medical sciences together with clinical practice modules including patient care, preventative and conservative dentistry, restorative dentistry and child and adolescent dental health. There is early clinical contact from first year.

You will actively engage in a research project in the third year, while the final year is occupied by quasi-independent but supervised practice which takes place inside and outside of the School, with compulsory rural and private practice rotations.

REQUIREMENTS

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA grade point average (GPA) of at least 5.5; and
(c) (i) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 50 and no section score less than 50 for domestic applicants; or
(ii) a Medical College Admission Test (MCAT) score of at least 83/88 prior to April 2015, or 123/123/123/123 with an overall score of at least 492 after April 2015 for international applicants.

2. Invitation to attend the structured interview will be based on equal weightings under (1)(b) and (c), in alignment with the interview quota for the year.

3. Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in dental practitioners and will undergo a manual dexterity skills test.

4. Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the intake quota for that year, based on equal weighting of the GAMSAT/MCAT, GPA and interview for non-rural applicants, and based on equal weighting of the GAMSAT, GPA, interview and rurality ranking for rural applicants.

5. Assured Entry Pathway students are exempt from (1)(a).

English language requirement: IELTS (Academic) 7.0 (no band less than 6.0).

Note: You may be required to submit IELTS upon professional registration.

Graduate Diploma in Forensic Odontology

studyat.uwa.edu.au/gd/forensic-odontology

UWA course code: 91350
CRICOS code: 058212J

Duration: 1 year

Intake period: February

Mode of study: coursework

2016 tuition fee: AUD $56,000

Apply online at uwa.edu.au/applynow

Course description

This course is designed for qualified dentists and those with a background in other disciplines who are keen to develop their knowledge and research skills in forensic odontology. The following areas are covered: dealing independently with all routine forensic odontological casework; the efficient referral of cases of special difficulty outside or beyond their expertise; functioning under supervision as a member of a Disaster Victim Identification (DVI) team; the independent preparation of evidence for presentation to courts of law, and being aware of their own need for further education.

REQUIREMENTS

(a) a Bachelor of Dental Science, or an equivalent qualification, as recognised by UWA; and
(b) at least two years of experience in the practice of general dentistry.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Graduate Certificate in Health Professions Education

studyat.uwa.edu.au/gc/health-prof-education

UWA course code: 90210
CRICOS code: 058206G

Duration: 0.5 years

Intake period: February

Mode of study: coursework

2016 tuition fee: AUD $17,500

Apply online at uwa.edu.au/applynow

Course description

This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, go to page 9.

REQUIREMENTS

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Note: A relevant bachelor’s degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor’s degree in a health, biomedical or biological sciences-related discipline.
Master of Health Professions Education

studyat.uwa.edu.au/m/health-prof-education

UWA course code: 90570
CRICOS code: 058208E
Duration: 1.5 years
Intake period: February
Mode of study: coursework and dissertation

2016 tuition fee (per year): AUD $35,000
Apply online at uwa.edu.au/applynow

(c) (i) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 50 and no section score less than 50 for domestic applicants; or
(ii) a Medical College Admission Test (MCAT) score of at least 8/6/6 prior to April 2015, or 123/123/123/123 with an overall score of at least 920 after April 2015 for international applicants.

2. Invitation to attend the structured interview will be based on equal weightings under (1)(b) and (c), in combination with the relevant UWA weighted average mark.
3. Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in medical practitioners.

4. Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the intake quota for that year, based on equal weighting of the GAMSAT/MCAT, GPA and interview for non-rural applicants, and based on equal weighting of the GAMSAT, GPA, interview and rurality ranking for rural applicants.

5. Assured Entry Pathway students are exempt from (1)(a).

English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0). Must include academic reading and writing modules.

Note: Please be aware that if upon graduation from this course you wish to practice medicine in Australia and you have completed your secondary schooling overseas, you will be required to meet the APHRA English requirements for registration purposes. For further details on this requirement please refer to the Medical Board of Australia.

Master of Pharmacy

studyat.uwa.edu.au/mpharmacy

UWA course code: 51500

CRICOS code: 061547J

Duration: 2 years

Intake period: February

Mode of study: coursework

Tuition fee: See website

Apply online at uwa.edu.au/applynow

Course description

This course provides a direct pathway to a professional postgraduate qualification in Pharmacy for registration as a pharmacist in Australia. Advanced study is offered in the areas of pharmacy practice, clinical pharmacy, pharmaceutics, medicinal statistics at a tertiary level; and research methodologies, practical aspects of extended patient care, and patient-oriented research, and research that is assessed solely on the basis of a thesis.

REQUIREMENTS

(a) a bachelor's degree in science with a major in a biomedical or physical discipline, or an equivalent qualification, as recognised by UWA; and

(b) the equivalent of a UWA grade point average (GPA) of at least 5.0, and

(c) demonstrated adequate knowledge of physiology and anatomy, cell biology, biochemistry, molecular biology, chemistry, and either mathematics or statistics at a tertiary level; and

(d) a current National Police Certificate, or equivalent certification, indicating no criminal conviction.

2. Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in pharmacists.

3. Admission will be awarded to the highest ranked applicants under (1) and (2) who fall within the intake quota for that year, based on equal weighting of the GPA and interview.

4. Applicants with qualifications from institutions where English is not the medium of instruction must provide evidence of English Language Competence equivalent to an IELTS (Academic) overall score of at least 7.5, with no sub-score less than 7.0.

5. Applicants with qualifications gained wholly in English, but whose first language is not English, may be required to provide further evidence of English Language competency.

6. If you possess a Pharmacy degree from another country it is recommended you contact the Australian Pharmacy Council prior to application, as it may affect your eligibility for this degree.

English language requirement: IELTS (Academic) 7.5 (no band less than 7.0).

Note: You may be required to submit IELTS upon professional registration.

Currency of a National Police Certificate is 12 months.

Duration: 0.5 years
Intake period: February, July
Mode of study: coursework

2016 tuition fee: AUD $17,900
Apply online at uwa.edu.au/applynow

Course description
This course is designed as a pathway for those who seek to enrol in a Master of Public Health but do not meet the educational requirements. The course allows for maximum flexibility to tailor studies in order to meet your personal or professional interests.

REQUIREMENTS
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA;
or
(b) a level and duration of education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;or
(c) completed two postgraduate public health (PUBH) units.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0). Must include academic reading and writing modules.

Master of Public Health (coursework)

studyat.uwa.edu.au/m/public-health
UWA course code: 92560
CRICOS code: 075828B
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation

2016 tuition fee (per year): AUD $35,000
Apply online at uwa.edu.au/applynow

Course description
Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics and health promotion for current professionals interested in moving into a wide range of health related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Specialisation
Choose from the following specialisations:
> Practice
> Research Methods

REQUIREMENTS
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA;
or
(b) (i) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent.2. Applicants who have or have had a progress status of ‘Suspended’ or ‘Excluded’ against courses 91520, 91550, or 92550 are not eligible for admission.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0). Must include academic reading and writing modules.

Graduate Certificate in Rural and Remote Medicine

studyat.uwa.edu.au/gc/rural-remote-med

As this is a generalist discipline, the range of research topics is expansive; from large-scale epidemiological studies to educational, qualitative or clinical studies.

Articulation is available within this study area. For more information, go to page 9.

REQUIREMENTS
(a) (i) the degree of Bachelor of Medicine and Bachelor of Surgery from this University, or equivalent as recognised by the Faculty; and
(ii) (1) completed or be completing fellowship training in a primary care or equivalent specialty college; or
(2) a level of prior professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course; or
(b) completed the Graduate Certificate in Rural and Remote Medicine from this University.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0). Must include academic reading and writing modules.
Master of Rural and Remote Medicine (research)

studyat.uwa.edu.au/mr/rural-remote-med

UWA course code: 90780
CRICOS code: 058925J
Duration: 2 years
Intake period: any time during the academic year
Mode of study: research

2016 tuition fee (per year): AUD $49,600
Apply online at uwa.edu.au/applynow

Course description
The Master of Rural and Remote Medicine is a broad-based degree for students wishing to pursue a career in research focusing on rural and remote medicine. As rural and remote medicine is a generalist discipline, the range of research topics is very wide, from large-scale epidemiological studies to educational and qualitative or clinical studies.

Requirements
(a) completed the degree of Bachelor of Medicine and Bachelor of Surgery from this University, or equivalent as recognised by the Board; and
(b) completed or be undergoing Fellowship training in a primary care or equivalent specialty college.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0). Must include academic reading and writing modules.

Master of Social Work

studyat.uwa.edu.au/m/social-work

UWA course code: 11550
CRICOS code: 065091K
Duration: 2 years
Intake period: February
Mode of study: coursework or coursework and dissertation

2016 tuition fee (per year): AUD $28,800
Apply online at uwa.edu.au/applynow

Course description
This course is suitable for those with an undergraduate degree in a relevant field who would like to pursue a professional qualification in social work. The course is accredited by the Australian Association of Social Workers (AASW).

Requirements
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 7.0).

Note: Applicants must provide a personal statement.

Doctor of Social Work

studyat.uwa.edu.au/d/social-work

UWA course code: 10970
CRICOS code: 052111G
Duration: 3 years
Intake period: February, July
Mode of study: research and coursework

2016 tuition fee (per year): AUD $30,600
Apply online at uwa.edu.au/applynow

Course description
This is an advanced research course for qualified social workers committed to their continuing professional education. Students gain high-calibre research skills and experience as they work alongside an expert researcher on a chosen project.

Doctor of Medicine, Doctor of Dental Medicine, Doctor of Podiatric Medicine and Master of Pharmacy

International Application Guidelines

Doctor of Medicine (MD) and Doctor of Dental Medicine (DMD)

The Medical College Admission Test (MCAT) results must be submitted by 1 June each year. Successful applicants will receive an interview request by email. Interviews in Hong Kong and Singapore usually take place from July to August upon request. The final ranking of students entering into the MD and DMD is based equally on GAMSAT/MCAT, GPA and Interview.

Doctor of Podiatric Medicine (DPM)

DPM applications open in March and close late September.

Master of Pharmacy (MPharm)

Applications open in March and close 30 June for applicants requesting an interview in either Singapore or Hong Kong.

A supplementary form is required in addition to the standard entry requirements. Visit uwa.edu.au/myapplication for details.

Doctor of Medicine, Doctor of Dental Medicine, Doctor of Podiatric Medicine and Master of Pharmacy International Application Guidelines

Doctor of Medicine (MD) and Doctor of Dental Medicine (DMD)

➢ MD and DMD applications open in March and close on 1 June each year.
➢ The Medical College Admission Test (MCAT) results must be submitted by 1 June each year. Students who receive the results slightly after this date are to contact the Faculty for eligibility advice.
➢ Successful applicants will receive an interview request by email. Interviews in Hong Kong and Singapore usually take place from July to August upon request. Perth based interviews usually take place in August and September.
➢ A supplementary form is required in addition to the standard entry requirements. Visit uwa.edu.au/myapplication for details.
➢ The final ranking of students entering into the MD and DMD is based equally on GAMSAT/MCAT, GPA and Interview.

Doctor of Podiatric Medicine (DPM)

➢ DPM applications open in March and close late September.
➢ No interviews for DPM.
➢ A supplementary form is required in addition to the standard entry requirements. Visit uwa.edu.au/myapplication for details.

Master of Pharmacy (MPharm)

➢ Applications open in March and close 30 June for applicants requesting an interview in either Singapore or Hong Kong.
➢ Applications close in late August for those requesting a Perth interview.

➢ MCAT (Medical College Admission Test) is standardised, multiple choice exam, that assesses problem solving, critical thinking, writing skills and knowledge of science concepts and principles. The minimum required scores prior to April 2015, are 8 (Verbal Reasoning), 8 (Physical Sciences) M (Writing Sample) and 8 (Biological Sciences) or 123/123/123/123 after April 2015. For more information, visit www.aamc.org/mcat

➢ GAMSAT (Graduate Australian Medical Schools Admissions Test) is held once a year in March and registration for the test usually opens in the preceding October and closes in late January / early February of the application year. GAMSAT scores are valid for two years therefore if an applicant sits the test two years in a row, they can choose which score to use. Applicants can sit the test from their penultimate year (second last year) of bachelor study. The GAMSAT has three sections: Reasoning in Humanities and Social Sciences, Written Communication and Reasoning in Biological and Physical Sciences. The third section is double weighted and tests biology and chemistry to about first year university level and physics to about Australian year 12 level. For further information on the GAMSAT, visit www.gamsat.acer.edu.au

Dinah Yunitawati
Marine Spatial Planner
Ministry of Marine Affairs and Fisheries,
Republic of Indonesia
Master of Environmental Science graduate
Home country: Indonesia

“I studied my masters at UWA because the environmental science course offered the best combination of theory and field work to advance my knowledge of marine and coastal management.

Because of my studies at UWA, I am better equipped with the skills to develop policy that is based on proven scientific frameworks.”

World-class research, excellent teaching and an inspiring student experience are the hallmarks of studying science at UWA.

As a Faculty of Science student you will be part of a community of researchers and fellow students doing science that makes a difference. You will enjoy UWA’s affiliations with industry, the professions, government and the community.

A UWA science degree opens the door to a huge range of careers.

As a faculty, we focus on bringing about meaningful change for the world and humanity in five key areas:
- Feeding the world
- Preventing, diagnosing and treating disease
- Furthering human knowledge and serving humanity
- Harnessing resources and energy for a sustainable future
- Restoring and maintaining balance in our natural environment

SCHOOLS WITHIN THE FACULTY OF SCIENCE

We encourage you to find out more about the research and study options available within our Faculty.

**Agricultural and Resource Economics**
www.arn.uwa.edu.au

Key research areas: the School is ranked first in Australia in the field of Agricultural and Resource Economics. It has the greatest number of research projects and research publications in Australia. Research is focused on environmental and natural resource economics; agricultural systems and economics; adoption of new management practices; and non-market valuation.

The School has strong links with the Institute of Agriculture, The Centre for Environmental Economics and Policy is integrated into the School.

**Anatomy, Physiology and Human Biology**
www.animals.uwa.edu.au

Key research areas: cell and developmental biology; endocrine and reproductive biology, human biology, neuroscience, physiology and sleep science. There is a particular focus on the lung, with world leading expertise on the ventilation of pre-term infants, asthma and airway mechanics, and airway collapse.

The School is home to the Preclinical Intensive Care Research Unit, the Centre for Sleep Science, and the world-renowned Art–Science collaboration, SymbioticA.

**Animal Biology**
www.animals.uwa.edu.au

Key research areas: animals and industry; animal structure and function; ecology; evolutionary biology; experimental and regenerative neurosciences; brain plasticity and recovery from neurotrauma; neuroecology; wildlife management and population ecology; climate change adaptation. The study of animals is carried out in natural, laboratory, and agricultural contexts.

The School hosts the Centre for Evolutionary Biology and has strong links with the Institute of Agriculture and the UWA Oceans Institute.

**Chemistry and Biochemistry**
www.chembiochem.uwa.edu.au

Key research areas: research is focused at the molecular scale and includes cell biology and regulation; computational chemistry; environmental chemistry; biological chemistry; inorganic chemistry; lactation research; metabolomics; molecular genetics; molecular biology; nanotechnology; organic chemistry; physical chemistry; structural biology; synthetic chemistry.

The School hosts the West Australian facility for Electron Paramagnetic Resonance Spectroscopy (WAEPR) which provides researchers with access to a state-of-the-art EPR and ENDOR spectrometer. The School also enjoys good collaborations with the ARC Centre for Plant Energy Biology and with the Centre for Microscopy Characterisation and Analysis.

**Earth and Environment**
www.see.uwa.edu.au

Key research areas: geosciences; geography and planning; soil science; and environmental science.

The School has the Centre for Exploration Targeting; the ARC Centre of Excellence in Coral Reef Studies; the Centre for Regional Development; the Planning and Transport Research Centre; Centre for Energy Geoscience. The School has close links with the Institute of Agriculture, the School of Plant Biology, the Centre for Microscopy Characterisation and Analysis and the UWA Oceans Institute.

**Physics**
www.physics.uwa.edu.au

Key research areas: astronomy and astrophysics; gravitational waves; atomic, molecular and surface physics; experimental quantum dynamics; biomagnetics; bioacoustics; medical physics; precision and quantum metrology; quantum dynamics and computation; gradiometry; field theory and quantum gravity; and spintronics and magnetisation dynamics.

Through involvement in the International Centre for Radio Astronomy Research (ICRAR), the School is playing a key role in the development of the Square Kilometre Array (SKA)—the world’s largest radio telescope.

**Plant Biology**
www.plants.uwa.edu.au

Key research areas: terrestrial natural systems (e.g. ecology, restoration ecology and plant ecophysiology); marine systems (e.g. ecology); and plant production systems (e.g. crop and weed science and plant genetics and breeding).

The School hosts a node of the ARC Centre of Excellence for Environmental Decisions. The School also hosts the WA Biogeochemistry Centre, and leads national collaborations such as the Australian Herbicide Resistance Initiative and the Seeds for Life project.

**Psychology**
www.psychology.uwa.edu.au

Key research areas: clinical psychology; communication; cognition and emotion; cognitive psychology; developmental disorders; face processing; human vision; industrial and organisational psychology; learning, attention and behaviour; lifespan development; neurocognitive development; and person and emotion perception.

The School runs the Robin Winkler Clinic, which provides services to the community in a number of areas including eating disorders, anxiety and addiction, and neuropsychological testing, which are supported by postgraduate students.

**Sport Science, Exercise and Health**
www.sseh.uwa.edu.au

Key research areas: high performance in sport and industry; prevention and management of chronic conditions; physical activity and health through the lifespan; principles and mechanisms—new technology, basic research and modelling.

Specific research projects are also found within the discipline areas of Biomechanics and Motor Control; Learning and Development; Exercise Physiology and Biochemistry; Health and Physical Education; Health Behaviour and Performance Psychology; and Health Promotion Evaluation Unit.

**Master of Agricultural Science**
studyat.uwa.edu.au/m/agri-sci

UWA course code: 72510
CRICOS code: 074945E
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation

2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Gain the knowledge and skills needed for a future in the rapidly evolving area of agricultural science.

World populations and economies are increasing their demand for food and fibre. Agricultural systems are under pressure to meet environmental, social and economic goals. Agricultural Science provides the research, technology and information for the sustainable, profitable and ethical development of the industry.
Master of Anatomical Sciences

studyat.uwa.edu.au/m/anatomical-sci
UWA course code: 53510
CRICOS code: 064875G
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Advance your knowledge of anatomical science with a combination of structured coursework units, experimentation opportunities and independent research.

You will develop investigative skills by participating in projects in different areas in anatomical sciences, critical reviews of literature, collection of material (field, experimental or literature) and then process, analyse and evaluate data.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Graduate Diploma in Anatomical Sciences

studyat.uwa.edu.au/gd/anatomical-sci
UWA course code: 51300
CRICOS code: 049990K
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Strengthen your knowledge and develop investigative skills with the Graduate Diploma in Anatomical Sciences.

You focus on an aspect of human anatomical structure and function, ranging from studies in neuroscience, evolution, human variation and adaptation, forensic anthropology or biomechanics to morphometrics and comparative anatomy.

The combination of coursework units and a research project will take your knowledge of anatomical science to the next level. The Graduate Diploma is the first year of the Master of Anatomical Sciences.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; or

(i) a relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Biological Arts

studyat.uwa.edu.au/m/biological-arts
UWA course code: 71530
CRICOS code: 083856J
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Explore the artistic elements of science in this unique course that brings together the two distinct disciplines of art and science.

The course is designed for experienced art practitioners, scientists, or humanities scholars to explore creative bioresearch and focuses on recent advances in the life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues and cross-disciplinary experimentation in art and science.

You will have access to scientific laboratories and will take both art and science units that include a major project and dissertation.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Biological Science

studyat.uwa.edu.au/m/biological-sci
UWA course code: 72520
CRICOS code: 074948B
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Develop your knowledge of biology by learning the fundamentals of molecular evolution, physiology, reproduction, behaviour and ecology of organisms.

You will also apply your knowledge to the management of natural systems and the species they support with independent research opportunities throughout the course.

By studying in Perth, you will have access to a unique terrestrial biodiversity hotspot, where nearly 80 per cent of the region’s marine fish and invertebrates are unique to the area, offering you a rare and exciting environment to explore your research.

Specialisations
Choose from the following:

- Marine Biology
- Conservation Biology
- Zoology

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(i) relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Biomedical Science

studyat.uwa.edu.au/m/biomedical-sci
UWA course code: 71520
CRICOS code: 083856J
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

The course is designed for experienced art practitioners, scientists, or humanities scholars to explore creative bioresearch and focuses on recent advances in the life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues and cross-disciplinary experimentation in art and science.

You will have access to scientific laboratories and will take both art and science units that include a major project and dissertation.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or

(i) a relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).
Specialisations
Choose from the following specialisations:
- Biochemistry and Molecular Biology
- Human Biology
- Neuroscience

REQUIREMENTS
To be considered for admission to this course an applicant must have a bachelor's degree with a major in a biomedical or health science discipline, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: 2 years full-time comprising 96 points of taught units.

Students with a bachelor's degree or major in an area of study which is cognate related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

Students requiring more than 72 points to complete their degree will receive course advice specifying additional units.

Master of Biotechnology

studyat.uwa.edu.au/m/biotechnology
UWA course code: 71580
CRICOS code: 008369F
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation

2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Biotechnology is becoming central to food, fibre and chemical production and the development of innovative strategies for environmental protection and stewardship.

This course is unique in Australia as it provides state-of-the-art training in the commercial aspects of biotechnology through direct industry interaction.

Specialisations
Choose from the following specialisations:
- Biochemistry and Molecular Biology
- Environmental Biotechnology
- Genetics and Breeding
- Genetics and Genomics

REQUIREMENTS
To be considered for admission to this course an applicant must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: 2 years full-time comprising 96 points of taught units.

Students with a bachelor's degree or major in an area of study which is cognate related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Clinical Audiology

studyat.uwa.edu.au/m/clin-audiology
UWA course code: 90540
CRICOS code: 033772E
Duration: 2 years
Intake period: January
Mode of study: coursework

2016 tuition fee (per year): Visit website
Apply online at uwa.edu.au/applynow

Course description
Audiology is the clinical science involving the prevention, assessment and rehabilitation of hearing loss and associated communication disorders. The course provides students with supervised clinical placements in a variety of workplace settings, and graduates are eligible for full membership of the Audiological Society of Australia.

The Master of Clinical Audiology is available every second year, in even years. The next intake of students will commence in January 2016 and applications are open from September 2015.

REQUIREMENTS
(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent;
(b) a current National Police Certificate, or equivalent certification, indicating no criminal conviction.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Clinical Audiology and Doctor of Philosophy

studyat.uwa.edu.au/c/clin-audiology
UWA course code: 00840
CRICOS code: 033773D
Duration: 4 years
Intake period: January
Mode of study: coursework only or thesis only

2016 tuition fee (per year): Visit website
Apply online at uwa.edu.au/applynow

Course description
Audiology is the clinical science that prevents, assesses and rehabilitates hearing loss and associated communication disorders.

The course develops your knowledge of clinical audiology with structured coursework units and you will then have the opportunity to create new knowledge in a preferred research topic with guidance from an expert supervisor during your PhD.

UWA is the only Australian university offering a combined four year PhD and master’s degree in Audiology.

REQUIREMENTS
(a) an honours degree of at least 2A level, or a qualification recognised as equivalent by the Board of the Graduate Research School (the Board) and the Faculty;
(b) satisfy the requirements of Doctor of Philosophy Rule 2; and
(c) a current National Police Certificate indicating no criminal conviction. (Currency of National Police Certificate is 12 months).

Master of Clinical Neuropsychology and Doctor of Philosophy

studyat.uwa.edu.au/c/clin-neuropsych
UWA course code: 01980/54570
CRICOS code: 077708E
Duration: 4 years
Intake period: February
Mode of study: coursework only and thesis only

2016 tuition fee (per year): AUD $34,500
Apply online at uwa.edu.au/applynow

Course description
The unique program blends clinical practice, coursework and advanced research components, to develop new knowledge with independent research course components.

REQUIREMENTS
(a) a PhD proposal approved by the Board of the Graduate Research School (the Board); or
(b) an honours degree in psychology of at least 2A level or equivalent as recognised by the Faculty and the Psychology Board of Australia.
(c) Must be eligible for provisional registration as a psychologist.

Note: Applicants are required to provide additional documents within their application. Visit studyat.uwa.edu.au/c/clin-neuropsych for details.

Applicants must secure a potential supervisor before submitting an application. Visit studyat.uwa.edu.au/c/clin-psych for details.

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

Master of Clinical Psychology and Doctor of Philosophy

studyat.uwa.edu.au/c/clin-psych
UWA course code: 01870/54570
CRICOS code: 077701M
Duration: 4 years
Intake period: February
Mode of study: coursework only and thesis only

2016 tuition fee (per year): AUD $34,500
Apply online at uwa.edu.au/applynow

Course description
The course is based on a scientist-practitioner model of clinical psychology. You will develop your clinical capabilities to practice as clinical psychologist and develop new knowledge with independent research.

The unique program blends clinical practice, coursework and advanced research components, to produce work ready clinicians who can also contribute new knowledge to clinical psychology best practices.

REQUIREMENTS
(a) a PhD proposal approved by the Board of the Graduate Research School (the Board); or
(b) an honours degree in psychology of at least 2A level or equivalent as recognised by the Faculty and the Psychology Board of Australia.
Master of Ecotourism
studyat.uwa.edu.au/m/ecotourism
UWA course code: 73510
CRICOS code: 084737G
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $37,000
Apply online at studyat.uwa.edu.au/applynow

Course description
Advance your career in the growing ecotourism industry with this practical course that will build your knowledge and networks through a combination of field work, in depth industry case studies and interaction with tourism industry professionals.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Graduate Diploma in Exercise Rehabilitation
studyat.uwa.edu.au/gd/exercise-rehab
UWA course code: 50380
CRICOS code: 078225E
Duration: 1 year
Intake period: February
Mode of study: coursework
2016 tuition fee (per year): AUD $36,000
Apply online at studyat.uwa.edu.au/applynow

Course description
Develop your knowledge and expertise of exercise rehabilitation to either prevent or manage chronic diseases and injuries. Upon successful completion you will satisfy the requirements for accreditation by the Exercise and Sports Science Australia.

REQUIREMENTS
(a) a bachelor’s degree with a major in Human Movement, Sport Science, or Exercise and Health, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent; and
(c) completed at least 12 points from the following units, or equivalent, as recognised by UWA:
   (i) SSEH3301 Exercise Prescription and Nutrition for Health and Fitness
   (ii) SSEH3385 Motor Development and Dysfunction
   (iii) SSEH3389 Exercise Rehabilitation
   (iv) SSEH3390 Professional Practice Part 1
   (v) SSEH3391 Professional Practice Part 2

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Environmental Science
studyat.uwa.edu.au/m/enviro-sci
UWA course code: 72530
CRICOS code: 074951G
Duration: 1 year
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
An interdisciplinary approach to problem solving is essential in this field, meaning both the biological and earth sciences, and environmental planning and management are included in this course.

You will learn how to apply important scientific methodologies to complex issues such as climate change, land rehabilitation, water resource management and air and water pollution.

Specialisations
Choose from the following specialisations:
- Environmental Management
- Geographic Information Science and Environmental Management
- Land and Water Management
- Marine and Coastal Management

Master of Exercise Science (coursework)
studyat.uwa.edu.au/m/exercise-sci
UWA course code: 52510
CRICOS code: 081429M
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
The Master of Exercise Science is designed for graduates who seek advanced knowledge in one of the sub-discipline areas within exercise science.

Specialisations
Choose from the following specialisations:
- Sport and Exercise Science
- Sport and Recreation Management

The Sport and Exercise Science specialisation offers a choice of units within biomechanics; motor control and learning; exercise physiology and biochemistry; health behaviour; performance psychology and exercise rehabilitation.

The Sport and Recreation Management specialisation includes core and elective units from both the Schools of Business and Sport Science, Exercise & Health.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree or Graduate Diploma, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Exercise Science (thesis and coursework)
studyat.uwa.edu.au/mr/exercise-sci
UWA course code: 51610
CRICOS code: 084926B
Duration: 1 year
Intake period: February, July
Mode of study: thesis and coursework
2015 tuition fee: AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
The course explores recent developments in the field of Exercise Science and will enhance your intellectual and research skills.

You also have the opportunity to specialise in a subspecialty of exercise science such as movement science, biomechanics, motor learning, pedagogy, exercise physiology and health and sport psychology.

REQUIREMENTS
(a) a bachelor’s degree, or an equivalent qualification with first class or second class honours, with an average mark of at least 70 per cent, or equivalent as recognised by UWA; or
(b) a relevant Graduate Diploma in Science of this University with a research component of at least 50 per cent of the course with an average mark of at least 70 per cent in both the research and coursework components of the graduate diploma, or equivalent as recognised by the Faculty.

The Faculty may accept into the course an applicant who has completed the Graduate Diploma in Education with an average mark of 70 per cent

Subject to approval. For the most current information, please check our website studyat.uwa.edu.au/international
To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Note: Students may apply to undertake a research project in the second year of this course.

Master of Health Science
studyat.uwa.edu.au/m/health-sci
UWA course code: 71540
CRICOS code: 083862M
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $34,000
Apply online at uwa.edu.au/applynow

Course description
The course will provide you with a unique, integrated combination of three key platforms: public health, advanced study in a related science discipline, and an industry practicum.

The course encompasses a range of biomedical and health disciplines crucial to human health and wellbeing. These are complemented by a Public Health focus (i.e. health promotion, research, policy and administration) and a practicum component within a health-related enterprise. The course is taught by both the Faculty of Science and the Faculty of Medicine, Dentistry and Health Sciences.

Specialisations
Choose from the following specialisations:
- Biochemistry and Molecular Biology
- Exercise and Health
- Human Biology
- Neuroscience

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) (i) a relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Human Biology
studyat.uwa.edu.au/m/human-biology
UWA course code: 53590
CRICOS code: 064874J
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
The two year Master of Human Biology will provide you with advanced knowledge and investigative skills across the complex realm of human biology.

You will undertake theoretical studies in evolution, human variation and adaptation, human ecology, population and occupational health, and human reproduction. Your theoretical knowledge forms a strong foundation for the development of innovative research, and you will also have the opportunity to collect and analyse materials for experimentation.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Master of Hydrogeology
studyat.uwa.edu.au/m/hydrogeology
UWA course code: 72540
CRICOS code: 074963C
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework and dissertation
2016 tuition fee: AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Hydrogeology deals with the distribution, flow and interaction of groundwater with the Earth including the hydrosphere, biosphere and lithosphere.

You will investigate the chemical, physical and biological interactions between water, soils, rocks, the environment and society to develop your understanding of how to deal with groundwater dynamics, exploration, drilling and aquifer tests, sustainable allocation of groundwater and contamination.

REQUIREMENTS
To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) (i) a relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).
Organisational Psychology

of work life, as well as develop new knowledge in this specialised area with the PhD component.

**REQUIREMENTS**

(a) A PhD proposal approved by the Board of the Graduate Research School (the Board);

(b) An honours degree in psychology of at least 2A level or equivalent as recognised by the Faculty and the Psychology Board of Australia and

(c) Must be eligible for provisional registration as a psychologist.

Note: Applicants are required to provide additional documents within their application. Visit studyat.uwa.edu.au/c/indust-org-psy for details.

Applicants must secure a potential supervisor before submitting an application. Visit science.uwa.edu.au.

English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0).

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

**Master of International Development**

**Course description**

The Master of International Development, taught by the Faculty of Science and the Faculty of Arts, engages you with the contemporary challenges of addressing poverty and inequality globally through an emphasis on empirical evidence, real-world case studies, and debates.

You will develop the knowledge and skills to approach practical and policy challenges in a wide range of contexts by drawing on expertise from development geographers, political scientists, resource economists and development practitioners.

Specialisations

- Economics of Development
- Development Policy and Practice
- Politics and Development

**REQUIREMENTS**

To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Applicants may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: 2 years full-time comprising 96 points of taught units.

Students with a bachelor’s degree or major in an area of study which is cognate related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

Students requiring more than 72 credit points will receive course advice specifying additional units.

**Requirements**

- English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

**Master of Philosophy**

**Course description**

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

**REQUIREMENTS**

Refer to page 11

**English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).**

**Master of Physics**

**Course description**

A The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

The Faculty of Science offers research students a wide variety of research opportunities - it is UWA’s largest faculty with an impressive team of research experts spread across nine schools, twenty research centres and five institutes.

**REQUIREMENTS**

Refer to page 11

**English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).**

Graduate Diploma in Sport and Recreation Management
studyat.uwa.edu.au/gd/sport-rec-mgt
UWA course code: 51390
CRICOS code: 06930B
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Become a well-rounded sports and recreation professional with this diploma which will equip you with the skills to succeed in this vibrant industry.

The course is primarily focused on sports and recreation units, but you will also gain knowledge across accounting, marketing, management, human resources and psychology, so you become a well-rounded and career ready graduate.

REQUIREMENTS
- (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA;
- (ii) at least two years of full-time relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.5).

Master of Urban and Regional Planning
studyat.uwa.edu.au/m/urban-reg-planning
UWA course code: 72560
CRICOS code: 07496F
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2016 tuition fee (per year): AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
Urban and regional planning focuses on some of the major challenges facing society, including the population growth, rapid urbanisation, poverty and homelessness, land use conflict, cultural diversity, economic development, and ecological sustainability.

You develop the skills to help resolve major urban and regional problems, and will undertake a practicum component. Graduates will contribute to the creation of liveable communities, vibrant economies and sustainable places.

Our teaching is supported by the world-class Centre for Regional Development and the Planning and Transport Research Centre. UWA also has strong links with the Planning Institute Australia (WA).

REQUIREMENTS
- (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA;
- (ii) at least two years of full-time relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

Students requiring more than 72 credit points will receive course advice specifying additional units.

Students must have a relevant bachelor’s degree or an equivalent qualification, as recognised by UWA, with a weighted average mark of at least 65 per cent; or
- a relevant honours degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Note: Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

Students requiring more than 72 credit points will receive course advice specifying additional units.

Graduate Diploma in Work Health and Safety
studyat.uwa.edu.au/gd/work-health-safety
UWA course code: 52330
CRICOS code: 073533M
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2016 tuition fee (per year): AUD $34,000
Apply online at uwa.edu.au/applynow

Course description
Develop your knowledge in Work, Health and Safety (WHS) including the scientific, behavioural, legal and business aspects. The course will inform you of the science behind policy and practice and will provide you with the opportunity to participate in work health and safety initiatives with a practicum component.

The Graduate Diploma in Work Health and Safety meets the requirements for professional membership across a number of organisations.

REQUIREMENTS
- (i) a Bachelor of Science, Bachelor of Engineering, or Bachelor of Medicine and Bachelor of Surgery or an equivalent qualification, as recognised by UWA; or
- (ii) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
- (iii) at least two years of full-time relevant professional experience.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).
The following programs are available to candidates who are applying to study while continuing to live overseas. The mode of delivery for these degrees is mainly online, though several include a residential component.

These programs are not available to those entering Australia on an international student visa.

Postgraduate study online and through multimode programs can only be undertaken by coursework.

For detailed course information visit UWA’s Future Students website www.studyat.uwa.edu.au

Graduate Certificate in Adult Sleep Science
studyat.uwa.edu.au/gc/graduate-certificate-in-adult-sleep-science
UWA course code: 51320
Duration: 0.5 year
Intake period: February full time or July part time
Mode of study: coursework; online and residential
2016 tuition fee: AUD $12,800
Apply online at uwa.edu.au/applynow

Course description
This course provides you with an understanding of sleep and circadian biology and the skills to use sophisticated equipment and instrumentation in order to perform laboratory-based and portable sleep studies as well as apply different protocols to sleep monitoring and perform basic scoring and analysis of sleep studies. Online and laboratory-based units are used to synthesise knowledge and ensure translation of this knowledge into practical competencies.

Two online units are completed in the first semester. You will need to be in Perth for two weeks in June / July to complete the intensive practical portion of the two units that follow.

Core units
- Fundamentals in Sleep Technology
- Fundamentals in Sleep Biology
- Sleep Technology in Practice
- Sleep Biology in Practice

School of Anatomy and Biology
Telephone: +61 8 6488 3303
Email: enquiries-aphb@uwa.edu.au
Website: aphb.uwa.edu.au

REQUIREMENTS
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
and
(c) a current National Police Certificate, or equivalent certification, indicating no criminal conviction.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Graduate Diploma in Sleep Science
studyat.uwa.edu.au/gd/sleep-sci
UWA course code: 52320
Duration: 1 year
Intake period: February full time or July part time
Mode of study: Coursework; online and residential
2016 tuition fee: AUD $25,700
Apply online at uwa.edu.au/applynow

Course description
The Graduate Diploma in Sleep Science provides advanced competencies for a sleep technologist, based on a higher order of theoretical content than the certificate. The course provides you with advanced practical skills in sleep scoring and application of therapies for sleep disorders and practical skills in management of a sleep laboratory.

The Graduate Diploma in Sleep Science articulates with the Graduate Certificate in Adult Sleep Science. Those who hold the Graduate Certificate in Paediatric Sleep Science are required to take an additional unit in Adult Sleep Science.

The course comprises eight units; four units from the Graduate Certificate in Adult Sleep Science, and four units designed to provide advanced competencies for a sleep technologist.

Core units
- Advanced Competencies in Sleep Science
- Clinical Research and Biostatistics
- Advanced Sleep Technology and Laboratory Management
- Advanced Sleep Scoring.

Each online unit, consisting of six modules, can be completed over a twelve week period in either the first or second half of the year. Four practical units are delivered by a combination of on-line and practical work, each consisting of three modules.

You must be in Perth to attend the practical components of these units delivered over two, two week periods, one in June / July and one in November / December. The intensive practical units provide you with hands-on experience in a sleep laboratory in order to synthesise knowledge and ensure translation of the theoretical.

School of Anatomy, Physiology and Human Biology
Telephone: +61 8 6488 3303
Email: enquiries-aphb@uwa.edu.au
Website: aphb.uwa.edu.au

REQUIREMENTS
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) a current National Police Certificate, or equivalent certification, indicating no criminal conviction.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).

Graduate Diploma in Dental Sleep Medicine
studyat.uwa.edu.au/courses/graduate-diploma-in-dental-sleep-medicine
UWA course code: 52340
Duration: 2 years part time (usual) or 1 year full time
Intake period: February, July
Mode of study: coursework; online
2016 tuition fee: AUD $36,000
Apply online at uwa.edu.au/applynow

Course description
This course is specifically aimed at providing dental practitioners with formal training in sleep medicine to complement clinical training in the use of oral devices used in the treatment of sleep apnoea. In addition to theoretical knowledge, you will assess and report the progress of actual cases.

Although this course is completely online, you are assumed to have access to a sleep laboratory or clinic near your home or practice, where you can develop a relationship with a local respiratory physician or dedicated sleep physician who can act as a mentor as well as facilitate sleep laboratory visits. The usual mode of study is part time to enable you to continue with your clinical practice while studying.

You will complete eight units involving both the study of sleep and the treatment of sleep disorders.

- Fundamentals of Sleep Biology
- Fundamentals of Dental Sleep Medicine
- Fundamentals of Sleep Technology
- Oral Appliance Therapy in Sleep Disordered Breathing
- Clinical Research and Biostatistics
- Dental Sleep Medicine in Practice
- Advanced Sleep Disorders and Anatomy of Sleep
- Advanced Competency in Dental Sleep Medicine

REQUIREMENTS
(a) a Bachelor of Dental Surgery of this University, or equivalent as recognised by UWA; and
(b) at least two years general dental practice; and
(c) registration to practice Dentistry in country of residence, and for Australian applicants a clear registration on the Australian Health Practitioner Registration Agency Website.

English language requirement: IELTS (Academic) 6.5 (no band lower than 6.0).
All students must meet the minimum English proficiency requirements set out in the table below.

Some courses have a higher English language requirement. For a comprehensive list of English language requirements please refer to the websites:

**Coursework**
www.studyat.uwa.edu.au/postgraduate-coursework/requirements/english

**Research**
www.studyat.uwa.edu.au/research/admission/english-competency

**ALREADY STUDIED AT UNIVERSITY FOR ONE YEAR?**

UWA now accepts the successful completion of one year of full-time (or equivalent) higher education studies, completed within the last two years from a recognised degree based institution in Australia, Canada (except Quebec), Ireland, New Zealand, the UK and the US as meeting our English language requirements for entry to postgraduate coursework degrees.

---

*Results are valid for two years only.*
The University of Western Australia offers a choice of English language programs through the Centre for English Language Teaching (CELT) to prepare international students for tertiary academic study.

**Centre for English Language Teaching (CELT)**

CELT is an integral part of UWA and offers accredited ELICOS programs in General English, Business English and English for Academic Purposes, as well as preparation for internationally recognised examinations. The Centre is also a testing facility for IELTS and TOEFL internet-based (iBT) examinations.

**Academic English and Study Skills Bridging Course**

This course has been designed for international students who have met the academic entry requirements of the University but do not have the required level of English language proficiency. The program is also suitable for students with academic entry into UWA who need to further develop their language ability and confidence before commencing their tertiary studies.

The course helps students to:
- improve English language skills to the level required by UWA;
- learn about the organisation and language of various types of academic texts;
- develop knowledge of the language of their chosen discipline;
- develop an understanding of Australian academic culture;
- develop a high level of analytical and reflective skills in an Australian academic context;
- develop strategies to attribute literary sources appropriately;
- develop the capacity to be an autonomous learner at an Australian university with the confidence to participate freely and appropriately in academic situations.

A 70% pass in the Bridging Course meets the University’s English Language requirement for most undergraduate and postgraduate courses. Some courses may require a higher level pass, please check the course for details.

### TUTION

The tuition fees are AUD $490 per week for both the 10 and 20 week programs (i.e. it is AUD $4,900 tuition for the 10 week course and AUD $9,800 for 20 weeks).

- If the entry requirements for tertiary courses are higher than 6.5 and nothing below 6.0, then entry into the 10-week Bridging Course will be no less than 0.5 lower for each individual band and for the overall score. Please refer to the CELT website for further information: www.celt.uwa.edu.au/courses/pathways
- 2015 fees. For 2016 fees visit: www.celt.uwa.edu.au

---

**“I will always value my time at Centre of English Language Teaching (CELT) – the program has improved my speaking and listening skills and my appreciation for other cultures. I now feel more prepared for university life.”**

</table>

* Students without an architectural background will complete up to 3.5 years of full-time study.
* Students without a landscape architecture background will complete up to 3 years of full-time study.
* The course duration may be reduced for students who have completed prior studies in a related area.
* Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Although admission requirements are subject to variation, applicants are usually expected to have a first class or upper second class honours degree or equivalent from an approved university.

Applicants may apply to commence at any time of the year as the programs do not run on a semester basis.

Before submitting an application, prospective postgraduate research students must contact a Graduate Research Coordinator in the appropriate school to discuss a research topic, the availability of a supervisor, eligibility for entry, resources and a research proposal.

The preliminary steps prior to submitting an application should include:

1. **Identify who will be your supervisor**
   - For Science Students: If you are interested in pursuing a PhD in a science discipline, you should lodge an enquiry through the online form at [www.science.uwa.edu.au/research/help-enquiry](http://www.science.uwa.edu.au/research/help-enquiry)
   - For All Other Students: Where possible, talk to the Graduate Research Coordinator about the availability of supervision for the proposed field of study before lodging a formal application.

2. **Prepare a research proposal**
   - It is often useful to prepare a brief outline (maximum 250 words) of your proposed area of study to discuss with a prospective supervisor.

3. **Discuss the resources available to you**
   - Find out what resources are available to you as a postgraduate research student, e.g. access to an office, computer, phone, email, printing and stationery, as these vary depending on the school in which you enrol.

4. **Be informed**
   - Spend some time looking through the University’s research website. There is a lot of useful information there for prospective research students, including how to prepare a research proposal and a copy of UWA’s research publications and expertise database [www.studyat.uwa.edu.au/postgrad/research/preparation](http://www.studyat.uwa.edu.au/postgrad/research/preparation)

Once you have completed these preliminary steps, the application procedure is as follows:

1. **Submit an application via [www.studyat.uwa.edu.au/postgrad/research/apply](http://www.studyat.uwa.edu.au/postgrad/research/apply)** including:
   - A completed research application form for international students. The application form can be downloaded from the website.
   - All certified documents as listed on the application form.

Successful applicants will be sent an offer package electronically, which includes:

- A letter of offer
- Acceptance documents
- Other documents if appropriate

Please allow six to eight weeks to process.

---

**ADMISSIONS PROCESS**

**RESEARCH**

**AM I A DOMESTIC OR INTERNATIONAL STUDENT?**

You are an international student if you are:

- a temporary resident (visa status) of Australia,
- a permanent resident (visa status) of New Zealand, or
- a resident or citizen of any other country.

To download a copy of this International Course Guide, visit [studyat.uwa.edu.au/international](http://studyat.uwa.edu.au/international)

You are an Australian domestic student if you are:

- an Australian citizen;
- an Australian permanent resident (holders of all categories of permanent residency visas, including humanitarian visas), or
- a New Zealand citizen.

The admissions process for prospective postgraduate coursework students includes:

1. Submit an online application to www.uwa.edu.au/myapplication that includes all necessary documentation specified in the admission requirements of your course. For full details on the admission requirements of your preferred course visit www.studyat.uwa.edu.au

OR

2. Submit your application through a UWA Overseas Representative in your country. A complete list of representatives can be found at www.studyat.uwa.edu.au/international/agents

UWA will assess the application and if successful, you will be issued an offer package, which includes:

- A letter of offer
- Acceptance documents
- Other documents if appropriate

3. On receipt, sign and return the acceptance documents together with payment or sponsorship details for the first semester and overseas health cover (visa length cover), either directly to UWA at www.uwa.edu.au/myapplication or via one of our official overseas representatives.

4. UWA will issue a Confirmation of Enrolment (CoE) package that contains:

- A letter of welcome which will include links to our pre-departure and on-campus accommodation guides
- A Confirmation of Enrolment (CoE).

5. You will be required to make your own travel and student visa arrangements. UWA’s overseas representatives will also be able to help you with these arrangements if you need any additional advice or assistance. Please note that in some countries, student visas may be obtained electronically. Refer to www.immi.gov.au/students

Australian Federal Government legislation requires providers of courses to international students to register their institutions and the courses they offer. This register is called the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). The Tertiary Education Quality Standards Agency (TEQSA) approves registration before a code is allocated and the details recorded on the CRICOS register. Providers and their agents must not promote a course to overseas students unless it is registered on CRICOS.
