Walk Safely on Campus
 The University aims to provide safe movement through the campus at all hours for staff, students and visitors. A system of Walksafe pathways has been identified and highlighted in maroon on this Campus Map. Walksafe pathways are well lit, clearly visible and signposted pathways that address the main activity nodes on campus. Help point call posts are installed at Science Library, Combined Workshop, Social Science & Hackett Hall, and all main foyers of major buildings have phones that connect to Security.

We urge all students, staff and visitors to help make UWA a better community by reporting any security related concerns to Security at 6488 3020.

Security Escorts
 UWA provides an after hours escort service to carparks, colleges and accommodation immediately adjacent to the University. Contact Security on 6488 3020 half an hour before an escort is required and a uniformed officer will respond.
