This is an extraordinary time of opportunity at The University of Western Australia and we appreciate you being a part of it. The University has always been heartened by the involvement of our alumni, staff, corporate partners, friends, volunteers and the Western Australian community. Last year was no exception.

We are approaching our Centenary when we will celebrate the University’s outstanding success and service to the local, national and international communities. Increasingly our graduates are viewing themselves as lifetime members of UWA – returning to campus to study for higher degrees, reuniting to undertake roles as ambassadors, mentors, adjunct professors, and providers of work experience and career placements for our students, or revisiting to attend networking and alumni events, celebrations and sporting activities.

Last year, 2,096 graduates and supporters chose to make a financial contribution to the University’s Annual Fund, joining many thousands more who have contributed since the inception of this appeal program in 2001. Your support is transforming this University and building on our tradition of excellence.

The University of Western Australia is most fortunate to have supporters who value the delivery of high-quality education, fantastic facilities and opportunities that enable extraordinary individuals to achieve amazing futures.

I thank you for joining us in building the world of tomorrow.

Professor Alan Robson AM
Vice-Chancellor
The investment by all supporters of the Business School represents a commitment to the development of future business leaders with internationally recognised skills and capabilities. Achieving international standards of excellence is an expensive and competitive enterprise and the support from our sponsors and donors ensures that we can compete in the global arena.

The success of the Business School Fundraising Campaign is a tribute to our generous sponsors and donors, the Business School Board and our Fundraising Committee members.

Tracey Horton,
Dean
