Walk or Cycle
There are many short trips where travelling on foot or bicycle is not only a good alternative to driving, but also makes for more sustainable trips. Most of the trip purposes are easy to get to by walking or cycling. The key is to find the route that works for you.

Bike Frames:
- For every trip, you will need to find a route that works for you.
- For every trip, you will need to find a route that works for you.
- For every trip, you will need to find a route that works for you.

Cycling hints:
- Find a convenient route. Use this map or one of the Perth Bike Path Maps to choose the route that is best for you.
